

Thankful
Grateful
Blessed

November News Letter from the Lamb Room

Jesus Time: We talked about “The Man Who Said Thank You” and when and to whom we can thank you.

Art: We focused on things in the Fall and colors that we normally see in the fall (orange, brown, yellow, red, green).

Science: We talked about things that float and sink. Also, what happens to ice when you add water to it? The children liked the experiments we did.

We worked on our colors and matching items to each other. We counted leaves and pumpkins. The children have recognized who each other is in the classroom.

Reminders: Chapel is on Dec 11 & 12

Christmas Program Dec 9th @10:30

Christmas Break Dec 20-Jan 3rd
