

JANUARY LAMB ROOM NEWSLETTER

Jesus Time: We talked about the Wise Men who followed a bright star in the sky to find Jesus and what the Wise men brought as gifts. We sang the Praise Him song and did the movements to the song.

Art: We painted our own snowman using a fork with paint then gluing eyes, nose, and arms.

Science: We talked about "Snow." Is the snow cold? What does it feel like? If we leave the snow in a jar what will happen at the end of class?

Sensory: We used different sensory items: playdough which the children were excited to pick out the color of playdough they wanted.

We went over scissors: what they are, what they cut, and how to hold them. We will keep practicing.

Reminders: Chapel is on Feb 12 & Feb 13 depending the day your child comes to school

Valentine parties for our class Feb 13 & Feb 14 depending on the day your child comes(watch your emails)

Feb 19th NO SCHOOL for Presidents Day
