

LAMB ROOM SEPTEMBER Newsletter

Look What We Learned

The start of the school year was very busy, but we are all getting used to coming to school, meeting new friends and teachers. The children have been getting accustomed to the classroom and the routines in the classroom. We have done activities at the tables, painted/colored, and did movements to songs. We worked on our colors and shapes.

Jesus Time

We talked about Jesus and that Jesus Loves You. We listened to the book that "Jesus Loves the Little Children." We sang "Praise Him Praise Him" and did movements to the song.

Music Together

We are getting used to going to Music Together. The children listened to Ms. Emily play the guitar and heard some songs using their arms and their bodies. The children liked the parachute especially going under it.

Music with Ms. Emily
