

SEPTEMBER NEWSLETTER

2025

Look What We Learned

- We are learning the routine of school and our schedule.
- We've learned that Jesus wants us to be kind & loving to each other.
- We are learning school rules and how to be safe.

COLORS

Each week we have focused on a color. We are working through the rainbow. We have dressed in that color; we have searched for that color to add to our color board. We look for colors while we are outside and in the classroom.

JESUS TIME

We heard the story found in the Bible about Jesus and the Children. We are learning Jesus Loves Me and other bible songs.

MUSIC TOGETHER

We have music with Ms. Emily on Wednesday's and Thursday's. She teaches us about rhythm and beats in music with instruments and our voices.

Looking Ahead

LEAVES

We will be learning about leaves and the season of Fall/Autumn. Please bring your leaves in for us to study.
