

LAMB ROOM NEWSLETTER

JANUARY 2025

What We Learned

We have been so busy in our class doing many activities. The children have been working on shapes, their colors, and taking turns when we do an activity. We practicing counting. The art that the children had done was related to shapes or the winter season.

SCIENCE

We talked about what water is used for, what happens when ice melts, and what happens when we had soap to water and stir or shake (LOTS OF BUBBLES.)

JESUS TIME

We talked about the Wise men visited Jesus and that they brought presents to Jesus. We also focus on that Jesus loves us. The children like to do the movements to "Praise Him, Praise Him, All the Little Children," and "Jesus Loves Me This I know..."

Reminders

Feb 12th & 13th Valentine Classroom parties
Feb 17th NO SCHOOL (PRESIDENT'S DAY)
Will let you know when next Chapel will be

Building and Strengthening Relationships with Jesus and Each Other & Opening the Door to a Lifetime of Christian Education.
