Worship

Zion Lutheran Church invites you to worship with us each Sunday at 9:30a.m.

Join the members of Zion for Thanksgiving Day Worship at 9:30a.m.

We heard the bible story of The Ten Lepers who Jesus healed and only one man said, "Thank You!" Luke 17:11-19

Please join us for our monthly Chapel service on Monday, November 18th and/or Tuesday at 9:10a.m. in the Sanctuary.

We will be gathering non-persishable food items for the Hinsdale Food Pantry during the month of November. Your child came home with a brown paper shopping bag to be filled and returned to school on Chapel day if you choose to donate.

The weather is starting to be chilly. Please dress your child for the weather as we go outside when the weather is 35° or above.

We are learning about shapes and how we see many shapes around us each day. Doors are rectangles, books can be squares, clocks are circles. Some of our snacks are shaped like circles or squares. Help your child look around your house to identify different shapes.

Important Dates to Remember
