What We Learned

This month we did so many things related to Winter and Christmas. At circle time, we talked about what we wear when it's cold outside. The children loved telling me what color hat they wore to school. We talked about what we wear on our hands (mittens), head (a hat), on our body to stay warm (a coat), and on our feet (boots). The children learned what is a shoe or a boot. We sang so many songs related to the winter season and practiced our program songs and the motions to go along with the songs. We counted bells, angels, and even reindeer. The children were busy making their parents gifts and snowman popsicles, shiny stars, decorating a Christmas Tree, and creating their own managers. We had fun decorating our classroom Christmas Tree and build a felt snowman. The children wear dressing up like the animals, the angel, in the stable.

Jesus Time

The children heard the Christmas story and who is born on Christmas Day: JESUS. We sang "In a Little Stable."
