We had a very busy February month. Our class heard many books related to love and hearts. We counted many hearts and played "Where is the red heart?" which we loved guessing. We were busy decorating our valentine bags, doing our valentine's for parents, and getting ready for the party. Thank you to everyone who had helped making a great party.

Jesus Time: we focused on Jesus loves everyone, Hearing the Lord's Prayer, and getting ready for the songs for the Art Show.

Building and Strengthening Relationships with Jesus and Each Other & Opening the Door to a Lifetime of Christian Education.
