Zion Lutheran Church invites you to worship with us each Sunday at 9:30a.m.

Zaccheus sees Jesus...we are hearing the story about how Zaccheus was not tall enough to see Jesus over the crowds of people when Jesus was in town. So he climbed a tree to see Jesus. Luke 19:1-10

We are collecting new books for our Chapel offering for the month of March. These books will be given to the Hinsdale Family Medicine Center.

Have you thought of what you and your child will do for your "At Home" project? I'm sure they have some great ideas!

Our next Zoo animal we learned about is Penguins...here's what we learned...

- Only a couple of species live in Antarctica
- Penguins have blubber to keep them warm; like Polar Bears
- Penguins do not fly, they slide and waddle
- They eat squid, krill and fish

School to home connection---ask your child if they know the name of the largest penguins....the smallest.
