Dragonfly Newsletter

Phonemic Awareness

The children are currently learning about the letter Ee.

The children will be learning the Letter Ee Jolly Phonics song and working on a variety of activities to help reinforce the sound. Letter baskets are one way we reinforce each letter we are learning. In the baskets we put in items beginning with letter being studied.

Social Studies

The children are learning about the First Thanksgiving. We have read books and sang songs about Thanksgiving.

On Tuesday, November 21st we will have a Thanksgiving Feast. The children will be bringing in some fresh fruit to make a friendship fruit salad in honor of the first Thanksgiving.

Jesus Time

In Jesus Time we have been learning the Bible story Jesus Heals the 10 Sick Men. In this story the focus is on the man who came back to Jesus to say "Thank You." During this Thanksgiving time the children are learning what it means to be thankful. Also, how Jesus blesses us every day.

Mathematics

The children continue to work on patterning through educational games.

We are also working on shapes. Forming shapes with popsicle sticks and discussing how many sides a shape has.

The children also constructed a building that would hold 5 or more plastic apples.

Art

The children made beautiful turkey's using a potato and green pepper.

For our Thanksgiving Feast the children are making Native American headbands and Pilgrim hats.
