Dragonfly Newsletter

Phonemic Awareness

The children are currently learning about the letter Nn. We continue to learn the Jolly Phonics songs to go with each letter. They are working on letter/sound matching.

Every Thursday the children bring in an item which begins with the letter being studied for the week.

PAJAMA DAY

THURSDAY, OCTOBER 31ST

WEAR YOUR FAVORITE
PAJAMA'S TO SCHOOL.

Handwriting Practice

The children are learning to write each letter studied each week. We have a number of hands on activities to help enhance their writing process. We continue to use Handwriting Without Tears curriculum along with handwriting sheets to reinforce the letter being studied. We also continue to work on writing our names.

Jesus Time

In Jesus Time we have been learning the Bible story of Jesus Calms the Storm. The children are learning that God is always with us even when we are afraid. God will always keep us safe.

We are also working on learning the Lord's Prayer.

Bible Verse:

I am with you always.

Mathematics

The children are working on recognizing their shapes. Each week we explore a new shape. This week we are learning about a diamond/rhombus.

We are also working on patterning. The children work on this activity during calendar time. An example of patterning is:

AABBAABB

Pumpkin Project

We are discovering all about pumpkins. The children are learning the life cycle of a pumpkin, where pumpkins grow. They are exploring the inside of a pumpkin. We will be doing a few science projects with pumpkins. On Thursday we will be having a pumpkin party, as a culminating activity.

Art

The children are working on decorating our classroom pumpkin for the all school contest.

We have also painted pumpkins at the easel and are turning them into jack-o-lanterns.
