Dragonfly Newsletter

Phonemic Awareness

Letter of the Week: Oo

The children are beginning to work on rhyming words. We have begun an activity where the children listen to 3 words and then have to say which word doesn't rhyme. This activity is a little tricky in the beginning, but they soon catch on.

We continue to work on and review our Jolly Phonics songs and also Jack Hartmann letter songs.

Handwriting Practice

The children enjoy using chalkboards to form letters. We are also using gems and old picture frames to reinforce our letters.

Jesus Time

In Jesus Time we've been learning about The Lost Son. We will be learning God is a forgiving, even when we do wrong things.

God always loves us!

God is amazing!

Thank God for all our Blessings great and small!!

In early January the Lutheran Church remembers the baptism of Jesus by John the Baptist. Christ our Lord says in the last chapter of Matthew, "Therefore go and teach all nations, baptizing them in the name of the Father and of the Son and of the Holy Spirit." Pastor Klein would welcome your inquiries about baptism for you or your children.

Mathematics

Number of the Week:

Review

The children are learning about tallying. The children practice making tally marks with sticks and then it will be reinforced with each number we learn. The children will also be learning about estimating.

Last Friday, the children worked on a heart graphing activity. Through this activity they learned terms more/less and how to follow multi-step directions.

Thanks to all for bringing in items for our Valentine's Day Party. The children enjoyed themselves.

Art

The children will be learning about the Artist-Georgia O'Keeffe. We will be creating bright beautiful flowers.
