Dragonfly Newsletter

Phonemic Awareness

Letter of the Week: Gg

The children are making nice progress learning their letters/sounds with our Jolly Phonics curriculum. We are reviewing letters/sounds and building words.

We also use Jack Hartman as another resource to help reinforce our letters and sounds.

Handwriting Practice

The children continue to work on their letters. At the writing table, the children are beginning to write words, such as: mom, dad, etc.

Jesus Time

In Jesus Time we've been talking about The Three Wise Men. The Wise Men followed the bright star which led them to Baby Jesus. They brought gifts to Jesus.

Jesus is our light! Let your light shine brightly!

Jesus Loves You

FOREVER!

Mathematics

The children are beginning to learn about numbers 1-20. We take one number a week and work on different activities involving that particular number.

The children are working on: writing each number, counting, identifying.

REMINDER:
Parent/Teacher
Conferences on Thursday,
January 25th and Friday,
January 26th.

NO SCHOOL THURSDAY OR
FRIDAY.

Art

The children painted snowmen in a wintery scene. The children then measured their snowman with unifix cubes and then recorded their findings.
