Decided

REVIVE US AGAIN EVANGELISM
and Church Growth Workshop
March 25-28, 2020 • Wichita Falls, Texas

10 THINGS YOU SHOULD KNOW ABOUT

HOME MISSION

1. We are an association of traveling evangelists that work with congregations all across the United States. As with Paul and Barnabas in Acts 11:19ff, we serve to encourage, equip, and evangelize.
2. With over 70 Churches of Christ closing their doors in the United States each year, we work to assist small and midsize congregations. We work with them, not for them. God has used us to help over 200 congregations in 30 states in some way.
3. We work with at-risk congregations over a period of three years and other congregations at their request. None of our evangelists are allowed to be involved in the decision-making process of the church.
4. We help churches find evangelists when possible.
5. We try to connect larger churches with smaller churches in order to be an encouragement to each other and to partner in using resources.
6. We offer an "Elders' Net" monthly newsletter written by elders for elders.
7. Each year HomeMission sponsors the "Revive Us Again" national evangelism and church growth workshop in Wichita Falls, Texas around the end of March. Our last workshop was attended by over 700 brethren from 19 different states.
8. HomeMission provides free materials to congregations from an assortment of topics designed to provide tools for church growth and evangelism.
9. HomeMission is under the eldership of the Faith Village Church of Christ in Wichita Falls, Texas. Over 30 Churches of Christ have helped in this effort.
10. HomeMission evangelists do not charge for their time, nor the materials they bring. If a church wants to help offset expenses, they can, but it is not a requirement.
