

Peter and Tabitha

Lesson 10

Scripture: Acts 9:36-42

Bible Memory: Acts 5:42

"Tell the Good News—that Jesus is the Christ." (ICB)

"They ceased not to teach and preach Jesus Christ." (KJV)

Focus: ♥ We can help others learn about Jesus.

Heart to Heart Teacher Devotion

We usually don't think of young children as teachers, but in many ways they are uniquely qualified to help others learn about Jesus. They are unconditionally enthusiastic about Jesus and eager to share their love for Him. They aren't afraid of offending or plagued by doubts of failure. They enjoy helping (usually). Learn from the children in your class and then together share the good news of Jesus.

Bible Background for the Teacher

Joppa was the principal seaport of Palestine and was located on a plain along the coast of the Mediterranean Sea. Tabitha (Dorcas in Greek) was a true servant, always doing good and helping those in need. Peter was in the nearby town of Lydda and had performed miracles there. Tabitha's friends may have expected a miracle, or they may have simply wanted Peter's comfort. They received both.

Getting Started (10–15 minutes)

- 1 Use one or more of these learning centers to help children explore helping.

Focus

♥ We can help others learn about Jesus.

Welcome

- Use a Scamper puppet to greet the children.
- Place a name tag on each child, gather necessary information from the adult bringing the child; then guide the child to a learning center.
- Provide a container in which children can place their contribution money.

Quick Step Helper Cards

SAY: **In today's Bible story, we will learn about a woman named Tabitha who helped other people. Let's play a game. We'll look at some pictures and tell how other people help us and how we can help others.**

Lay cards upside down. Have children take turns picking a picture. Looking at the first picture, let every child tell a way the pictured person helps people. After all have shared, give a heart sticker to each child. Move on to the next picture. Hopefully, children will end up with lots of stickers! **You have named a lot of ways to be helpers. ♥ We can help others learn about Jesus.**

ASK: **Who are some people we can help?
How can we help them?**

Helpers at Home

Place the items in your family living area. SAY: **The Bible tells us that a good woman named Tabitha helped other people. You can help the people who live in your home. Let's pretend to be helpers at home.**

Encourage the children to pretend they are helping by setting the table, fixing food, cleaning, folding laundry, caring for babies, and emptying the trash. **We can help our families. ♥ We can help others learn about Jesus.**

ASK: **How do you help at home?
How do other people at your house help you?**

Our Mission (unit center)

Before class, have a bank for children who earned money for the mission project. Print out copies of Our Mission. Cut 2½" squares from the construction paper, and adhere a magnet strip to the back of each square.

SAY: **We are helping at home to earn money so that we can help _____ (name of mission). Let's make magnets to remind us to do our jobs this week.**

Give each child a copy of the letter. Help them find the job they each chose last week or choose a new one. Have them color and cut out their pictures and glue them to the construction paper squares. **Our mission helps others learn about Jesus. ♥ We can help others learn about Jesus too.**

ASK: **Which job are you going to do at home? Have you started helping?
How is doing this job going to help _____ (name of mission)?**

Especially for 2s!

Before class, cut out the "dust the furniture" job squares and glue to construction paper squares. Give one to each child to color. Help children practice the job by using soft cloths to dust tables and chairs around your classroom.

Save all visuals for reuse throughout the quarter.

Sing and Pray

Sing "Yes, I Will Go" and "They Continued to Tell."

PRAY: Dear God, help us to be like Tabitha and Peter. ♥ We can help others learn about Jesus too. In Jesus name, amen.

Have Scamper dust chairs and tables near you. He can even "dust off" the children! **SAY: Scamper, you are a good helper. Thank you for cleaning our room. Today we are going to hear a story about a woman named Tabitha who loved to help other people. We can read about her in the book of Acts in our Bible. Show Acts in your Bible. Let's listen and hear what happened.**

Bible Time

Show figure 10a. **SAY: The Bible tells about a woman named Tabitha who lived in the town of Joppa. She was a follower of Jesus. Add 10b. Tabitha helped women who had no husbands. She helped people who had little money. Tabitha made coats and other clothes for these people. Let's pretend to sew.** Pretend to pull a needle through fabric.

One day Tabitha became sick and she died. Remove 10a. The followers of Jesus who lived in Joppa sent for Peter. Peter was one of Jesus' special helpers. "Hurry, please come to us!" the people said.

Add Peter 10c. **When Peter arrived, the people took him to an upstairs room. The women in the room showed Peter some of the clothes Tabitha had made. The women were crying.** Have children show sad faces.

Peter sent everyone out of the room. Remove 10b. He knelt down and prayed to God. Replace 10c with 10d. Then Peter said, "Tabitha, stand up!"

Add 10e. **Tabitha opened her eyes and sat up. Peter helped her stand (remove 10d and 10e; replace with 10c and 10a), and he called in her friends. Add 10b. They were so happy. Show happy faces. They told everyone what had happened, and many people believed in Jesus.** Have each child turn to a friend and say "Jesus loves you." ♥ **We can help others learn about Jesus too.**

Bible Review

Let children take turns holding the figures as you retell the Bible story.

ASK: How did Tabitha help others? (She made clothes for them.)

How did Peter help Tabitha? (He prayed that God would bring her back to life.)

What did Tabitha's friends do when they saw Tabitha was well again? (told others)

Bible Memory Acts 5:42

Before class, print out and display the motions from the CD.

Read the Bible Memory from the Bible to the children. Then pair the children and encourage partners to teach each other the Bible Memory motions as they say the verse. Blow a whistle, change partners, and repeat as time allows. **SAY: ♥ We can help others learn about Jesus.**

Grow and Go (15–20 minutes)

- 3** Use one or more of these learning centers to help children **name ways they can help others learn about Jesus.**

Quick Step Share Your Song

Before class, ask permission to visit another classroom during this activity. SAY: **Let's practice singing one of our favorite songs about Jesus. Then we can share our song with other people. ♡ We can help others learn about Jesus.**

Practice singing one of the songs from the CD or let children choose a well-known song about Jesus. (Examples: "Jesus Loves Me," "Jesus Loves the Little Children") Take the children to another Sunday school class, and have the children sing the song. When you return to your room, talk about how the children helped others learn about Jesus.

ASK: **How did you help others learn about Jesus today? Name another way you can help someone learn about Jesus.**

My To-Do List

Before class, put a set of stickers into a plastic bag. Prepare one per child. Give each child a *Make-n-Share* activity. SAY: **Sometimes grown-ups write down things they need to do. Grown-ups call this a to-do list. Let's make our own to-do lists. ♡ We can help others learn about Jesus.**

As children color the picture of Scamper, talk about the pictures on the to-do list and the ways to tell others about Jesus. Assist as needed in cutting out the to-do list and adding a 2½" piece of magnetic strip to the back. Have each child take one sticker and choose a way to help others learn about Jesus. Let children take the other stickers home.

ASK: **Can you name some ways you can help friends learn about Jesus? Which way did you choose to help others learn about Jesus? Be sure children have marked that way with a sticker.**

Pass It On

Ask the children to sit in a circle on the floor. SAY: **Let's play a game to help us learn our Bible Memory. ♡ We can help others learn about Jesus.**

Play "They Continued to Tell" and have the children pass the Bible around the circle. Pause the CD, and ask the child holding the Bible to look at someone and say, "Tell the Good News. Jesus is the Christ." Continue until everyone has had a turn. **You helped your friends learn about Jesus.**

ASK: **Can you name a way you can help others learn about Jesus?**

Especially for 2s!

Let each child hold a Bible. Ask children to repeat the Bible Memory, two to four words at a time. Praise children for helping others learn about Jesus.

Closing the Hour

• Be sure children who are leaving have their activity projects, a copy of Our Mission from the *Resources* CD, and this week's *Heart Tugs*. Encourage parents to do the Helping Sounds activity with their children. Note: A *Family Together Time* page is available online for families to download. See www.21stcc.com.

Focus

♡ We can help others learn about Jesus.

Materials

(optional: *Resources* CD and CD player)

Teaching Tip

If you don't want to take the children out of the classroom, have half the class sing a song to the other half and then vice versa. Or record the class singing and let them listen to themselves singing.

Materials

Make-n-Share and stickers for lesson 10, resealable plastic bags, crayons (or washable markers), blunt-tip scissors, adhesive-backed magnetic strips

Materials

Resources CD track 6, CD player, small Bible

Shorten the Bible Memory to "Tell the Good News!" Use the motions from the *Resources* CD to help children who learn differently pass it on, just like their typically developing peers.

Teaching Tip

As children repeat the Bible Memory, be sure to explain that the name *Christ* means Jesus was the special person God chose to come to this world and help His people.

Place the acorns on the floor in front of you. Bring out Scamper and perch him on your arm. SAY: **I wonder where all these acorns came from? Scamper, can you tell us?** Scamper nods and then whispers to you. **That’s a great story, Scamper. Let’s tell the children what happened.**

One beautiful spring morning, Scamper was leaping from tree branch to tree branch. Scamper moves as though leaping. **Then he stopped.** Scamper stops leaping. **What was that sound? It was coming from the ground below his tree.**

Scamper hurried down the tree. Scamper moves as though climbing down. **Scamper’s friend Jumper was standing in the middle of a big pile of acorns. Jumper was crying. He needed to carry all his acorns to his home in his tree, but there were just too many. Scamper wanted to help his friend. He picked up an acorn and carried it to Jumper’s home.** Scamper picks up an acorn and puts it in your lap. **He helped Jumper until all the acorns were put away.** Scamper puts the other two acorns in your lap. **Scamper was happy he could help his friend.
