And surely, I am with you always, to the very end of the age."

Summertime Opportunities

Summertime is upon us, and we will have a lot of activities this summer both with family and friends as well as in the church, which I pray is basically the same group. Beginning June 1, we will start our Summer Series of which we have not been able to have since the start of the Covid pandemic three years ago. We will have a meal at 6pm and then the series will begin at 7pm. The theme this year is a spinoff of our Wednesday night Bible class "At Just The Right Time." The meals will be simple and provided. If anyone wants to bring a dessert that is up to you. Our Wednesday night Bible classes have not recovered from the Covid onslaught so our prayer is that this will jump start more participation from all our families. There will be a signup sheet for a children's Bible hour which will be conducted for our children up through 5th grade simultaneously with our Summer Series meetings. Middle and high school age young people will be in the Summer Series class.

This summer we will have a number of our youth going to camp at Pettijohn. In an effort to help our young people earn scholarships to camp and grow a little in accepting responsibility (this is for all our youth in order to give them the opportunity to earn their own way and not put this financial burden on their parents). Patty Hampton and crew are going to hold two craft classes to teach and mentor our young people so they can produce a craft that will be auctioned off at the June 15th Summer Series gathering. The two classes will be held in the fellowship hall on Monday and Tuesday, May 16 and 17 at 6pm. Patty will need a few ladies to help. See her for details.

Also, during these two classes several ladies of the congregation have expressed an interest in learning how to loom hats and make burlap roses. Patty will be addressing these two opportunities during these classes on May 16 and 17. All of these hats will be donated as Christmas presents to Ukrainian refugees during the Christmas holidays. These classes are open to all of our youth and all of our ladies. Please consider how you might get involved in doing something wonderful for your Lord.

Love,

Scott

Trivia

We hope you were able to answer last week's trivia question.

Last week's question.... What did the woman pour on Jesus' feet at the home of Simon the Leper? A jar of expensive perfume.

This week's question..... How many people did Jesus feed with fish and bread?

On Sunday, May 1, the elders put forth two young men to be considered as deacons, **Justin Patterson** and **Carl Lucas**. These two men and their families are an integral part of the congregation. Both men are working hard already and are serving as our treasurer and youth minister. They have proven themselves to be men full of the Holy Spirit and wisdom. These two men will be announced as deacons in two weeks unless there is some scriptural reason put forth. If you have a scriptural objection, please write it down for our elders and sign it so that they can communicate and investigate this objection. Pray for these men that God would help them to develop their talents even more to be used in the service of God.
