On behalf of the Bread of Life board of directors, I would like to take this opportunity to sincerely thank you for your generous donation to help aid us in the relief efforts administered to those who have suffered from the recent devastating tornado which destroyed much of our community. We have been humbled and overwhelmed at the amount of monetary donations, donations of much needed supplies, and volunteers who have traveled from all over the United States to help us as we try to give some much needed aid to so many of the residents of Mayfield, Kentucky who have lost their homes, businesses and unfortunately loved ones.

The Bread of Life strives hard to help bring some degree of physical relief to those suffering from the devastating effects of disasters while opening doors to help with the really important need for help to those that are suffering spiritually. This effort is being made possible by donations such as yours. Your tax deductible contribution of \$2,000.00 is greatly appreciated. No goods or services were provided in exchange for your contribution.

Thank you for your support.

In Christian Love,

George Glover
