2pm-4pm

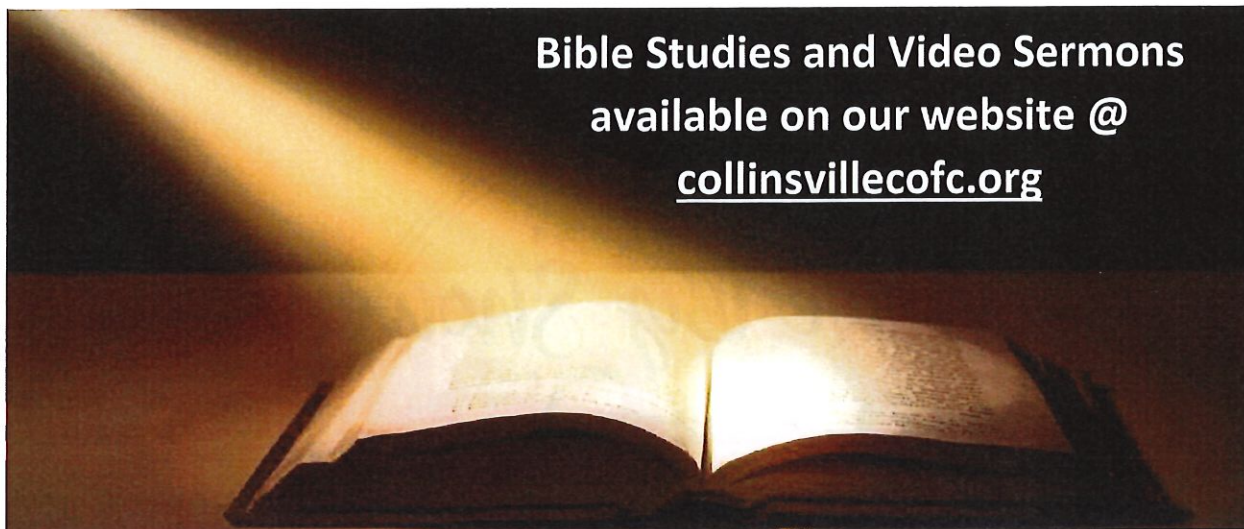

In front of the Fellowship Hall.

Hello Church Family,

John and Danyelle (Barnes) Smith are expecting a little baby girl in October. We are unable to give a regular shower due to the pandemic but want John and Danyelle along with Jim & Linda to know how excited we are that they are going to be new parents & grandparents. We want these two new parents and their bundle of joy to be safe and healthy and we will all be blessed. This is supposed to be such a happy time for first time parents, and well celebrated, but it has been overshadowed with a lot of worry and concern.

This shower will be a Drive-By shower. You can go to Amazon or Target and look at the baby registry under Danyelle and John Smith in Denison, Tx and see what items she has yet to receive. If you are one of those who just like to pick your own thing out no problem, we have their mailing address, or you can give it to Linda or Jim. Their mailing address is **John and Danyelle Smith 1315 W. Woodard St. Denison, TX 75020.**

We want them to know how much we care about them and put a smile on their faces during this time of joy in this pandemic.
