tells us where all this takes place, *"Consequently, you are no longer foreigners and aliens, but fellow citizens with God's people and members of God's household, built on the foundation of the apostles and prophets, with Christ Jesus himself as the chief cornerstone. In him the whole building is joined together and rises to become a holy temple in the Lord. And in him you too are being built together to become a dwelling in which God lives by his Spirit"* (Ephesians 2:19-22). This peace is found in the household of God, the body of Christ, the church. We all have the opportunity to be a part of this family. God made the sacrifice so we could be blessed. The barriers are torn down for all those who become a part of God's family. Are you in that family? If you want peace, join up!
