A HEART SET FREE

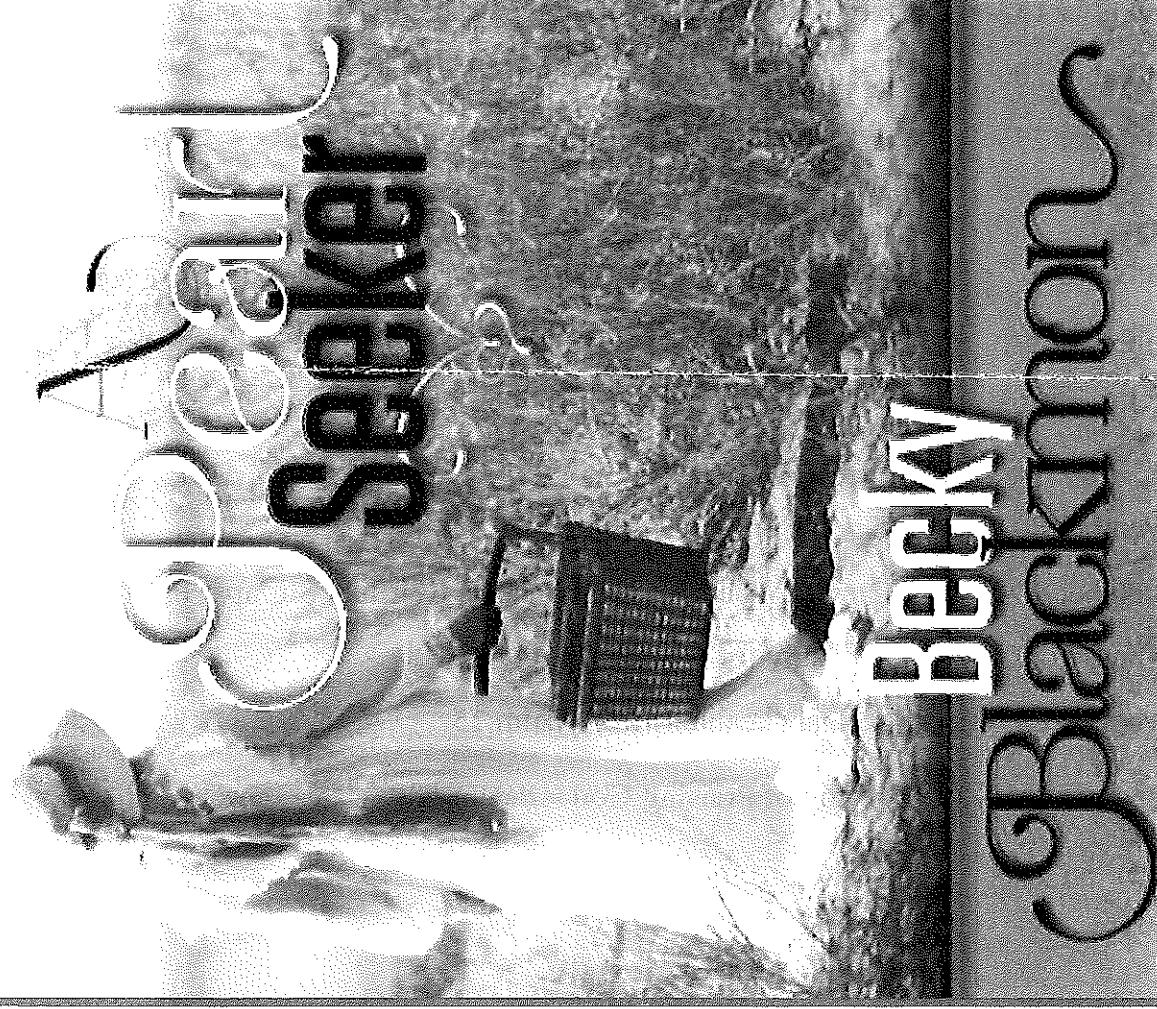

Claiming the Promises of the Psalms

"I run in the path of your commands, for you have set my heart free" – Psalm 118:32

There is a reason why your Bible comes with its own built-in hymnbook. The Psalms convey the promises of God in the language of our hearts. It is the psalms, more than any other section of scripture, that realistically articulate some of the deepest emotions we will experience. In these marvelous hymns we find some of the richest resources for developing a healthy spirituality and for overcoming adversities.

TENTATIVE SCHEDULE
