

## Keenan's Corner

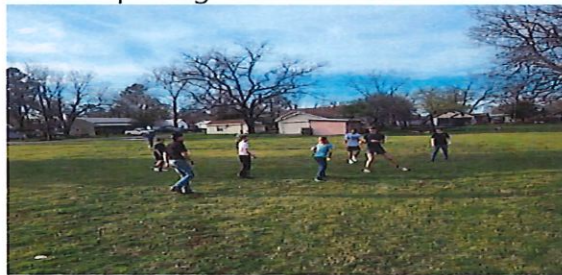

**Please let's recognize our Youth in their accomplishments!**

Sunday we had our 1st youth devo!!

It was great. We had 20 kids come out and we played ultimate frisbee and enjoyed that daylight savings time!

Then we took off to the Patterson's for food, kickball, and our devotional!!

What a great time of fellowship and sharpening each other!

A huge congratulations goes out to Sarah Davenport! Sarah and Baker advanced to the finals in debate. Only 16 out of 43 teams advanced. Sarah placed 5th Top Speaker out of 86 debaters. She qualified for state in Congress. They qualified together in CX Debate and finished sixth overall in 2A in Texas.

Next week, Baker and Sarah will put on their theater hats and travel to Decatur for District OAP. And then the day after that's over, Sarah will switch to her TMSCA hat and will compete with her team in San Antonio at the state meet.

Our Youth Group went to Schulman's in Sherman and went bowling. Great fun was had by all. It's functions like this that will bring everyone together along with studying the Word of God. 22 young folks participated in this function. Our Bible study was held after bowling.
