

Dear Family,

My Bible school class is learning about the early church and how it grows today. I want to earn some money for a mission project our class is doing. The money I earn will help \_\_\_\_\_.

(name of mission)

I have marked below a job I will do.  
Can you help me?

Dust the furniture.

Sweep the sidewalk.

Carry groceries.

Fold the laundry.

Set the table.

Clean the bathroom.
