

UNITY CHRISTIAN CHURCH

Disciples of Christ

WELCOME!

As we gather again for worship, we are all asked to do our part to prevent the spread of COVID 19. Out of an abundance of caution for others gathered, please be aware, prior to entering the church, an ambassador will take your temperature. Please be patient and wait for their instructions regarding seating, as we must comply with social distancing guidelines.

We ask that everyone take the following precautions:

Stay home if you are ill, elderly, anxious, or immunocompromised. Your safety and well-being is our main concern.

Maintain six feet of social distance from others who are not from the same household at all times while in the church or on church property.

Wear a face mask or face covering. Be sure the mask covers your nose and mouth. It can be removed to receive communion.

Refrain from physical contact, such as shaking hands and hugging one another.

Sanitize hands when entering and exiting the building, and when entering and exiting restrooms. Hand sanitizer stations are provided.

If you have a fever or symptoms of COVID 19, you will not be permitted to enter the building.
