This week as I prepare for lent to begin and continue to plan how to bring the journey of transformation to life, I am also reading ordination papers, preparing for ordination interviews for two women. Two women who began a journey many years ago that they hope is coming to fruition soon. We live in a world that expects things to come instantaneously. In fact, a toy that I often use for Easter is a caterpillar that turns into a butterfly no chrysalis stage necessary.

I think many of us would like life better that way. Just as we try to travel from Palm Sunday to Easter without stopping at the story of betrayal and death on the way. One book I read years ago spoke of lent and holy week as our annual practice of how to die or more exactly how to lay down our lives. The caterpillar we are told creates the chrysalis with no knowledge that it will be changed to the point of becoming mush before it reforms as a butterfly and comes out.

There is no hurrying this transformation if you open the chrysalis to expose the butterfly before it is ready it dies. The women we will be speaking with this week each had to make their journey to be ready to be ordained, for one it was a shorter journey than for the other, but both had to travel as was right for them. The journey included some similar steps, education, CPE, internships but each journey was unique. They could not clone the journey of another so they could be sure to be successful but had to do the hard work of their own journey.

It was almost two years ago that we entered this time of being in a different state as we sold the parking lot. We knew life would be different while the building next store was built, and we did not have parking available as we were used to. We knew we were doing it to get ahead of maintenance issues, so we were not in a constant reactive mode as things broke down in the building. We did not know that the air handler would break before the HVAC renovation and we would worship in the fellowship hall for a year. We also did not know that we would be blessed with new members who would come with a heart for justice and acting their faith through working for a more systemic fix to things than only doing charity. We did not know in fact who would stay with us through this time and there was fear around making the changes. Some told me they would leave because they could not have church be different, and some did, but some have stayed and journeyed with us who did not think they could.

But now it is time to envision what we are creating. What have we learned, what have we loved? What have we hated in this time? How are we ready to be different as we come out the other side of this journey? We wrote our mission statement preselling the parking lot. Does it still work for us or do we need a new one? In this time, we have in many ways been a Sunday only organization and we have been focused on the social end of church life. How do we refocus on discipleship, both the learning and the doing of God's work so we are church, not a social club, but a church that will attract others who want to share the journey? The work of being in a chrysalis is only half done when the butterfly begins to form and we are not ready yet to become, but it is time to envision what we will be. Do we believe that St John's can be a butterfly? How do we take what we like about meeting downstairs back upstairs to the sanctuary? This is not a time to try to go back that would kill us, as it would the butterfly, but it is time to get ready to be something new. We can envision some of it, but not all. Resurrection is a journey with God so we are not in control. Are we willing to continue to journey forward to something new? Are we ready to dream together and envision where we think God may be taking us?

With Love and Prayers,  
**The Rev. Linda Higgins**

## **ANNOUNCEMENTS**

### **Fellowship Lunch March 12th at noon - NOTE NEW TIME!**

This month's Fellowship Lunch will be on Thursday, March 12th, at noon. We're going to try the earlier time to accommodate those who have other mid-afternoon commitments. We'll be meeting at Firebirds Grill, 11448 Belvedere Vista Lane in North Chesterfield. Please contact Beth Stiegler at (804) 475-7340 to reserve your place.

### **Equality Virginia Dinner March 28th**

The annual Equality Virginia Commonwealth Dinner, a celebration of the state's LGBTQ+ community and a recognition of this year's pro-equality legislative victories, will be held at the Convention Center on Saturday, March 28th at 6 pm. As in previous years, St. John's will be hosting a table (or two, if there is enough interest). The cost is \$90 per person, but financial support is available so don't let cost be an issue if you're interested in attending. Please contact Jeff Jacobs ASAP at (202) 361-9887 or [jwjacobs9@gmail.com](mailto:jwjacobs9@gmail.com) to reserve your seat at the table.

## **ANNOUNCEMENTS**

### **Trustees/Renovation Update**

A number of renovation projects were completed or are underway as March begins. Repairs are underway on the elevator, which will cause the elevator to be out of service until March 6th, and a chairlift on the stairway from our back parking area to the parlor is being installed. Paving of the alleyway and our back parking area, along with repair of the cement sidewalk in front of and along the side entrance of the church, should be completed this month. Reinforcement of the ceilings in the classrooms on the second floor of the church has been completed. We have received proposals to replace the yellowed coverings over the stained glass windows, and we are also looking at restoration of several stained glass windows that have fallen into disrepair. We are moving forward with replacement of the center railing on the side entrance of the church (near the copy room) with railings on either side, to make access to the door easier for all. And equipment has been ordered for replacement of the HVAC system, on which work is beginning this month. If you have any questions or comments, please contact any of the Trustees or members of the Renovations Task Force -- Rob Osborn, Jeff Hetzer, Jeff Jacobs, Sarah Allen, Dreama Terrill, Betsy Bighinatti, Richard Bighinatti, and Pastor Linda. The Renovations group is meeting on March 3rd, 17th and 31st, at 3 pm at the church, and all are welcome to attend.

### **New Directory**

We are in the process of updating our church directory. We'll have copies of the current directory available at church the next several Sundays; please check your entry and let us know of any needed corrections or updates.

### **March Mission**

As the month ends, it has come to our attention that the new building for Caritas is scheduled for opening this June. We have been invited to participate in this exciting new journey with them. Your mission team has agreed to sponsor one of the new apartments on behalf of St. John's. The cost for a 1 bedroom is \$3000. We are grateful to the Stille Foundation for making this possible. BUT given St. John's long history with Caritas we would like to do more!! With the support of the congregation, we could sponsor a 2 bedroom for \$5000. We are challenging you to support Caritas in raising an additional \$2000. The building will have apartment housing and support services all in one location. Ending the need for intake & overnight housing of women in churches all over the community. We will have the opportunity to participate in the setup of "OUR" apartment. This is a one-time contribution from our congregation but a long term investment in Caritas, so please continue our strong support of the organization by making a donation in March. Even if you gave in February, please consider giving again!

### **Change the World RVA**

Change the World RVA, a foundation assisting homeless students to succeed in high school, college, and life will be collecting donations in March for their big fundraiser, Another Woman's Treasure. The sale will be held on April 3rd & 4th. They are collecting gently used purses, jewelry, & women's accessories for this fun two-day sale. The sale is held at Bon Air Methodist. Donations may be dropped off there. Info can be found at [changetheworldrva.org](http://changetheworldrva.org).

### **One Great Hour of Sharing**

One Great Hour of Sharing is the UCC offering to provide assistance during disasters here and abroad. We will receive this offering during worship on Sunday, March 22. This aid has enabled the Church to respond to hurricanes in Puerto Rico, the U.S. Virgin Islands, North Carolina, Texas, and Florida; to fires in California; earthquakes in Mexico, Indonesia, & Haiti; flooding in El Salvador, Hawaii and South India. This assistance provides sustainable solutions from disasters near and far.

The mission and outreach committee hopes that you will respond with the generosity. Jesus calls us to offer assistance to all our neighbors.

Please use the envelope in your bulletin or if you include your donation in your regular offering envelope please be sure to designate OGHS.

# Lenten Creation Care 2020

Lent is a time for prayer, fasting, and more intentional sharing. This year, our church is joining with many others in heeding the call to be stewards of God's Creation throughout this season. May this calendar remind us to be more mindful of the ways that our daily habits impact both our common home and all those with whom we share it. On behalf of future generations and all living in poverty—those most harmed by our damaged climate—may we answer God's call to be faithful stewards, speaking out for Creation care.

<p>A prayer from Psalm 51: Create in me a clean heart, O God, and put a new and right spirit within me. Creator God, we begin this Lenten season asking for Your renewal. Through prayer, fasting, and sharing over these 40 days, we ask that our eyes be opened to the ways we can do better, in our relationships with You, Your Creation, and all those with whom we share this, our common home. Take pictures or notes in a journal of what you see.</p>

## 12 Easter Sunday

"For in him all the fullness of God was pleased to dwell, and through him God was pleased to reconcile to himself all things, whether on earth or in heaven, by making peace by the blood of his cross." - Colossians 1:19-20

"The New Testament does not only tell us of the earthly Jesus and his tangible and loving relationship with the world. It also shows him risen and glorious, present throughout Creation by his universal Lordship." - Pope Francis, *Laudato Si'*

Trusting in the words of Philipians 1:6, "Trust the One who began a good work in you will bring it to completion," take time to give thanks for the changes of heart and habit you have taken on since Lent began, and continue to live out your call to Creation stewardship with the hope of the resurrection always in your heart!

Take some time today to reflect on all of the activities that you have performed during Lent, and how they have brought you into greater harmony with the earth and with all life. Conclude your Lenten Creation care practice by making a personal pledge to serve God and serve others by pursuing a more sustainable way of life.
