The Sermon on the Mount

"Looking Outward and Looking Inward"

Matthew 7: 1-6

### For Further Discussion

Is a follower of Jesus ever called to judge? Why or why not?

In a culture that often views the Church as increasingly judgmental, how can a follower of Jesus interact with others while holding fast to the truth?

Give an example (positive or negative) of an instance when you have seen the difference between judgment and discernment displayed. What were the effects?

What are some ways or habits a Kingdom dweller can use to practice self-examination and keep himself / herself from hypocrisy?
