Sermon Questions

"Mary's Song"

Luke 1:46-55

November 28, 2021

For Further Study

Why are songs (or poems) an appropriate means of celebrating significant spiritual events and worshipping?

What stands out to you about Mary's reaction to the news the angel Gabriel brought her? What does this say about her character?

What contrasts or role reversals does Mary make in this passage? How do these reflect her feelings about God? About herself?

How was Jesus' birth related to God's promise to Abraham? (Genesis 22:16-18) Why would Mary consider this worthy of praise?

What impact does Mary's Song have on us today as followers of Jesus?
