FURTHER DISCUSSION

Are there persistent things in your life that you are fearful of? How can you remind yourself that God is bigger?

Are there any battles you’re trying to win on your own?

How do you think God might be being defied in our current times and culture? How might He make Himself known in these sorts of circumstances?

How do you see God in this story?
How might this story draw you to God; to worship, prayer, communing with Him?
