FURTHER DISCUSSION

What are some things or circumstances that make you feel inadequate to do what God is calling you to do?

In what sorts of instances might we be tempted to test God? How do you think that would go?

Why did God trim down the Israelite army? Are there any places in your own life where you might be trying to trust in your own strength rather than God’s?

How do you see God in this story? How might this story draw you to God; to worship, prayer, communing with Him?
