

The Focus

“A network of churches cooperating to assist each other in fulfilling the Great Commission.”

Do You Know...about CPET?

Our CPET Team (Church Planting and Evangelism Training) team is active and working. Here is some of their exciting news!

New church planters David and Ally Pryor have officially moved to the Treasure Valley and will complete an internship at Central Valley Meridian before launching their new ministry in 2023. They currently reside in Caldwell and plan to target north Nampa/west Meridian.

Matthew and Bethany McDonald continue fund raising and preparations before moving to Boise later this year to target the Basque population of Boise. They currently reside in Florida.

Ismael and Merari Trinidad have moved back to Mexico where they will continue waiting for USCIS to allow them to come back as lawful permanent residents.

Please pray for the completion of this process before the end of 2022 ensuring that two Hispanic churches (Caldwell and Ontario) get back their pastor and wife!

Church Support

The CPET Team continues to provide support for 5 church planters and 2 pastors. These funds represent your commitment to ensure churches are planted and strengthened.

Partnership Opportunities—Your church could help by partnering with a church plant!

Current Opportunities: Avimor Community (Tom Miller) New Life Ontario (Mike Ellis) and Riverside Emmett (Hugh Orr)

Current Hispanic Opportunities: Church of Grace Nampa (Tim Martin) and New Hope Caldwell and Ontario (Ismael Trinidad)

Future Opportunities: Exalt Church Nampa (David Pryor) and Basque Church Plant Boise (Matthew McDonald)

Will your church step up to accept our **Associational Challenge?**

We're hoping for every church and mission in the TVSBA to be partnered with a church plant by the year 2030.

CPET Meetings

The team meets once a quarter. If you have needs or concerns please reach out to any team member.

CPET Purpose

The CPET Team exists to provide support for new church plants, pastors, and churches serving the Treasure Valley.

Such a Time as This...

With the very existence of the Jewish people threatened through the conniving of Haman, Mordecai reminded Esther of all she had been through and that her being exalted as queen at *such a time as this* could be part of God's plan of delivering His people. Such a time as this. I can imagine that those words rang in Esther's ears throughout the night as she wrestled with what to do. Such a time as this. I think these words should ring in our ears too. No, we aren't faced with imminent destruction, but we are faced with a time where we have a number of exciting, fresh opportunities to be a part of God's plan for the Treasure Valley. Maybe you and your church are here today for such a time as this.

We have our regular outreach and discipleship focused activities like Women's Retreat, Momentum Kids and Momentum Youth camps coming up. These need our participation and leadership. These need promoted. These need more of our churches to bring people. These need new leaders to step up and help. In April we will have the Harvest event with Greg Laurie. It has been decades since we have had something like this here, so every believer should find a way to participate. God could be something incredible through this and it would be a shame to miss out. There are Southern Baptist churches who are thriving. There are people asking about what opportunities there are for church planting. We have growing church plants. We have plants that are in their infancy. We have a couple of plants still in the womb, soon to be birthed. Every church. Every Southern Baptist. All of us God has placed here at such a time as this. Are we going to seize the opportunity to do our part? Or will we miss out on the joy of seeing what God can do in, through and around us for His Name and for His Glory.

Such a time as this. Something to think about.

Are Healthy, Growing Churches Your Passion?

Our TVSBA Church Health Team, made up of Steve and Valorie Ruth, Mike Ellis, Van Kierstead, and Michele Ring, are presently discussing our plans for the future, based on needs we've identified.

One of our needs in our association is encouraging our pastors in their work for the Lord. With that need in mind, we've planned a "no agenda" type quarterly breakfast on the Fifth Saturday. Our first one will be held on the fifth Saturday of May, which is May 28th. This no-host breakfast will be just a time to fellowship. We'll remind our pastors closer to the date.

Our Church Health Team is looking for laymen who love the idea of helping each of our Treasure Valley churches reach its fullest potential. So far, we've met as a team, but we'd love YOUR input! You can join us, as an active member, or you can even just send us ideas or concerns.

1—We want to IDENTIFY churches and their leaders who excel in a certain area of ministry, and then tap into their knowledge of that ministry to, in turn, minister to other leaders. You know who excels in your church, and could help us find those resources! Idaho Baptist College staff has already stepped forward to offer their expertise to your church. Perhaps you might want to offer a seminar in apologetics, for example. Idaho Baptist College can help. Contact Thad Roduner if you have a need for a seminar.

2—We want to FIND THE BEST SOURCES OF INFORMATION. There is so much information out there, but individuals might have trouble finding that information. Those who are willing to do some background work would be greatly appreciated. Maybe you're on the computer a lot, and would love to be a researcher for a harried youth worker, for example. Any ministry could use YOUR help!

3—We need TEAMS OF WORKERS/PLANNERS for large events. We've already successfully managed women's retreat with a varied group of loving, like-minded women. We usually plan the retreat with around 12-15 women who invest their time and resources into making the retreat a huge success. We need similar teams for other events in the future.
