

Preschool and Daycare
Parent Handbook

Dear Parents:

We welcome you to Lenoir City Christian Academy Preschool, a ministry of First Baptist Church Lenoir City. Our program is designed to provide a caring, loving environment for your child that helps them feel accepted. Research has established how important the first five years of a child's life are and that morals and values are learned right along with other developmental tasks. Therefore, it is crucial that we be equally concerned about the spiritual development of our children.

The Bible is very clear in its instruction to teach our children about God's love, God's care, and God's character. The Book of Proverbs gives us clear direction to, "Train up a child in the way he should go and he will not depart from it (Proverbs 22:6)." A child is a person made in the image of God and God has a plan for that child's life. Our accountability as parents and significant others in the lives of our children is to be good models and understand the uniqueness of the child; to teach our children to have a sense of trust, self-control, guidance, security, self-respect, acceptance, and love.

Our role as care-givers/teachers is to be a support to you, work with you, and be skilled in teaching methods that will help your child become all God has created him/her to be.

Pray for us as we will pray for you. Together, with God's help, we will know we have been faithful to our most precious gift from God-our children.

In His Love,

Your Preschool Staff

Lenoir City Christian Academy Preschool Program

Purpose and Philosophy

The LCCA preschool program of First Baptist, Lenoir City exists to provide biblically-centered and developmentally appropriate child care and academic instruction with the intention of equipping children to grow “in wisdom and stature, and in favor with God and man” (Luke 2:52). The curriculum, personnel, facilities, and daily operations are all determined with this goal in mind. Lenoir City Christian Academy Preschool exists to partner with parents in determining the best course in life for each child and cannot replace the responsibility of parents to raise children in the home where the love of God is taught and experienced.

LCCA Preschool addresses educational practices from a Christian perspective by allowing each child the opportunity to begin to understand themselves and the world from a biblical worldview. This process happens through a variety of developmentally appropriate strategies which include both formal instruction and informal interaction. Formal instruction will include activities such as chapel, classroom instruction, and discovery centers. Classroom instruction is driven by the concept of biblical integration meaning that the truths of the Bible are woven throughout all teaching that children may see that all truth is God’s truth. Informal interaction is concerned with the day to day interaction between students and the teacher and peer to peer relationships. Personnel that demonstrate a Christian lifestyle and students that strive to follow an appropriate code of conduct are essential to the success of this part of education. LCCA Preschool intends to educate and care for the whole child and includes meeting the needs of each child spiritually, physically, mentally, emotionally, and socially.

Ministry

The purpose of Lenoir City Christian Academy, a ministry of First Baptist Church Lenoir City, is to develop a biblical worldview in the lives of children. A biblical worldview is developed as academics are taught through the lens of the Bible, and the teacher-child relationship is one of discipleship. Lenoir City Christian Academy believes in the inerrancy of the Bible. Children are introduced to the work of Jesus Christ who being perfect and blameless died on the cross to save man from their sins.

Learning Center Curriculum

Our classrooms focus on fun-filled learning centers that promote the development of math, science, pre-reading, pre-writing, language, fine motor, art, music, self-help, and social skills. We have playgrounds, a courtyard, soccer fields, and an indoor gym to enhance your child’s play time.

Policies and Procedures

Arrival

The teacher will begin welcoming children at **8:30 am**. Please do not bring your child sooner with the expectation that you may leave. They need every minute before that time to set up their rooms so they can give your child full attention when he/she arrives. **It is our policy that all preschool children be here by 9:15 am, and is highly recommended that Pre-K arrive no later than 9:00 am.** Your child will be much happier when they have had time to come in and play before going into a structured schedule. **Preschool children arriving after 9:30 am should be singled in at the front office and walked to class by an administrator.** Daycare (7:30-6:00) children spend many hours on campus, and therefore more flexibility will be shown in the daycare class. We request that all daycare children be here by 10:00 am.

Parent(s) **MUST** sign the child in and out each day. Be sure to leave a phone number where one parent can be reached during the day.

Separation

Our staff will be prepared to help your child's separation from you go as smoothly as possible.

Pick-Up

Parents are to notify the Preschool Coordinator in advance if anyone other than himself or herself is to pick up the child on a given day. The designated adult will be asked to provide identification when picking up the child and **MUST** match the "Transportation Release" form.

In the event that any person picking up your child is deemed to be in any way impaired or exhibiting risky behavior we will:

- a. Contact someone else on your transportation list to transport your child.
- b. If we are met with resistance, proper authorities will be called.

Release of a child to the biological parent will not be denied unless a legal custody document prohibiting such release is filed with the LCCA Preschool office.

Ridesharing services such as Uber and Lyft or any commercial transportation may not be used at LCCA. Uber and Lyft have policies specifically prohibiting people under the age of 18 from using apps or riding unaccompanied by an adult. There are numerous potential dangers associated with releasing students to unknown third parties. LCCA wants to ensure your child's safety by only releasing to a responsible adult at the end of the day.

Parent Pass

Parents will be given one set of parent passes at time of enrollment. Parents must present the pass to have access to the building. Parent Pass only gives access to the building. It does not give access to children. Parents have the option to purchase additional passes for \$2.00 each.

Late Pick-Up Fees

For Preschool pick up your child on time at 1:30 pm. For Daycare, pick-up time is 6:00 pm. To compensate teachers for extended duty hours, **a charge of \$1.00 per minute per child will be added for each additional minute after 1:35 pm and at 6:01 pm.** (Daycare).

Parking

Parents may park in designated parking spaces along side the Education building and enter in through the playground doors. Do not obstruct the entrance, double-park, or otherwise hinder the flow of traffic or endanger others. **Never leave your car engine running while you bring your child into the building and never leave small children unattended in your car while in the building. Leaving a child could jeopardize your child's enrollment.**

Unauthorized Food, Toys, Games, Etc.

We will provide the necessary snacks, toys, games, and other items necessary to provide a quality program for all participants as a part of the fees charged. All unauthorized items must remain at home.

Diapers

Please provide disposable diapers. Bring enough for teachers to change your child as often as needed. If creams are to be applied, a written note must be given to your child's teacher per DOE guidelines.

Clothing

Please dress your child in suitable clothing for play time and learning activities. For safety reasons, children **MUST** wear rubber sole tennis shoes (no boots, sandals, etc.). All clothing that will be removed should be marked with the child's name (i.e. coats). A laundry marker or iron on tape works well. This will aid the teacher in being able to keep track of clothing. Lost articles left after a month will be donated to charity. **MARK EVERYTHING!**

It is important that you keep at least one complete clean change of clothing in your child's backpack in case his/her clothing becomes wet or soiled. A change of clothing includes underwear, socks, pants, and shirt.

Outdoor Policy

Outdoor play is regularly scheduled in the morning and afternoon (Daycare). It is considered an important part of the total curriculum. Outside time provides opportunity for exercising gross motor skills, hand/eye coordination and social interaction. Unless it is raining or bitter cold, the children are outside daily. Because outdoor play is important teaching time, the teachers are expected to be outside with their class and cannot stay inside with one or two children.

Potty Training

As in every new learning experience, potty training must be a cooperative effort between home and school. In general, a child is not physically able to control his/her bladder until around 22 months and bowel control takes a little longer. Of course, every child is different and individual abilities are always considered. When the time comes that your child is ready to begin potty training, the staff will work with you. We are available to offer suggestions and share ideas. We work on Potty training in our two year room. Children must be able to go to the bathroom by themselves before moving up to the three year room. During the potty training process, your child should come wearing Pull-Ups rather than diapers (no onesies). Pull-Ups with Velcro sides are strongly recommended. More detailed information will be given in your classroom.

Lunch

Children need to bring a nutritious meal. Again, please label EVERYTHING. Milk will be provided for your child. We use the ½ pint cartons from Mayfield in 2% white and chocolate. A morning snack will be provided daily which includes juice and a bread product. Breakfast must be served at home and may not be brought to school. We ask that you allow us to provide your child's beverages to help with spillage in our cubbies.

- Lunches must be pre-made and ready to serve. **We do not heat food.**
- Use plastic containers for all liquids.
- Bring finger foods (i.e. sandwiches cut in fourths, diced fruits, grapes, and hot-dogs must be cut in half or quartered).
- Do not send candy, gum, or sodas in your child's lunch.
- **No caffeine and no glass containers.**
- **Be sure we are aware of any food allergies.**

Catered Lunch

Children in our 3 year old class and up have the option of ordering a catered lunch. All transactions must be done online. You will be given a menu selection with cost at enrollment. You will be given a 30 day notice in case of a price increase.

Birthdays

Parents are welcome to recognize their child's birthday at school. Plans need to be made with your child's teacher in advance. You may bring a special snack (cookies or mini-cupcakes) and decorative paper products only (no clowns, balloons, birthday gifts, etc.). If you are having a party elsewhere and wish to invite your child's classmates, invitations will be handed out by our staff and must include the entire class.

Medication

No medication will be given to preschoolers unless enrolled in our full time daycare program. If a child is enrolled in our full time daycare program and needs to administer medication, parents will need to speak with our Preschool Coordinator or Academy Principal about the procedure. Paperwork must be filled out in the office before medication can be given. Children cannot medicate themselves.

Health Records

The Tennessee Health Department requires an up-to-date certificate of immunization signed by your doctor and on TN state form when he/she examines your child. It is your responsibility to keep your child's records up to date. All children must be current with all vaccinations (no waivers) to attend LCCA Preschool. Immunization records must be submitted before the child may be admitted to the program.

Temporary immunization records may be allowed only at the discretion of the Headmaster prior to admittance to the program.

Tuition Payment Policies

- Monthly tuition must be paid in FULL by the 1st of each month **NOT** the 1st day of your child's attendance (it will be considered late by the 11th). Please make checks payable to LCCA. Fees paid after the 15th require cash.
- Upon enrollment, program registration fee is due.
- A late fee of \$20 will be charged on the 11th of each month.
- Tuition or any unpaid balance not paid by the 15th of the month could result in the dismissal of your child/children from our program and you will be required to pay all balances due.
- There are no verbal agreements for paying tuition.
- Any returned check will result in a fee of \$20. A 2nd returned check will result in cash payments only.
- Families may pay either in person or log into Headmaster Online.

Withdrawing from the Program

When withdrawing a child from the program, we must receive a written notice 2 weeks in advance of your child's last day. Any balances or tuition due **up to your child's last day** must be made at the time your notice is given.

Discharge

Lenoir City Christian Academy Preschool reserves the right to drop any child from enrollment with two (2) weeks notice to the parents if the staff determines that the program is not meeting the needs of the child, the child's presence poses a threat to the welfare of others, or if the child is unable to adjust to the school's rules/structure, routine and social interaction. LCCA is not able to give one on one care to a child. Every effort will be made to work with the child and family to guide and encourage healthy social interaction and development. A child may also be discharged if school policies are not being followed. A child may be discharged immediately if the safety of others is at risk.

Health Issues

Should your child have any health or behavioral concerns, these should be discussed with the Preschool Coordinator and classroom teacher. Please keep your child at home when he displays any signs of illness or any of the following symptoms: temperature over 99 degrees, sore throat, headache, diarrhea, vomiting, runny nose, rash, bad cough. We asked that you follow these policies:

- Your child **must** be free of fever, vomiting, or diarrhea for 24 hours before he/she is free to return to school.
- If your child is not well enough to go outside, he/she should be kept home.
- If your child will be absent for several days due to illness, out of town travel, etc. please inform the teacher.

If your child becomes ill at school, you will be notified to pick him/her up immediately.

Contagious Diseases

Many contagious diseases start with a common cold. Examples of contagious diseases other than those noted under "Health Issues" include pink eye, rashes, lice, etc. Should your child have a contagious disease, please let his/her teacher know immediately so that other parents can be notified. We will not disclose names of children.

Medical Emergencies

In case of a medical emergency with a child, an immediate attempt will be made to notify the parent or the parent designate. If the parent cannot be reached, or if the situation warrants, an attempt will be made to contact the child's doctor for advice. If medically necessary, emergency service may be summoned to transport the child to appropriate facilities to receive medical assistance.

Inclement Weather and Closings

Closing for inclement weather days will not be made up. Parents should receive an email stating closure of the center. **Parents may also look to social media, including Facebook, Instagram and Twitter for updated posts. If Loudon County Schools let out during the day due to weather, we will also close. Please pick your child up as soon as possible.**

Emergency/Evacuation Plan

Routine fire drills will be conducted periodically by LCCA. Fire evacuation procedures will be posted in each room. In the event of an actual fire, drill procedures will be followed.

When severe weather warnings are issued by the National Weather Service for tornadoes, severe thunderstorms, etc., or in the event that evacuation of the center becomes necessary for reasons other

than fire, children in care will be taken to the secure area within the building as designated by the County Coordinator of the Emergency Management Agency.

If power or water is temporarily not available, the center will endeavor to remain open and operational if at all possible. We cannot, however, compromise the health and safety of the children. Parents may therefore be notified to pick up their children.

In the event of an **evacuation**, your child will be transported to one of the following churches: **Christ Covenant Presbyterian** or **Highland Park Baptist**. All children will be together at one of these churches. **You will need a photo ID in order to pick up your child.** In the case of a disaster, it is possible that your teacher or Director could still be at the center or with a child receiving emergency medical care. The Headmaster and the State of Tennessee Department of Education may be coordinating the children's pickup. Please keep updated through social media if possible and local media outlets, including radio and television.

Hard Lockdown Drill will be conducted at least once during the school year. You will receive notice if one is conducted.

Parent / Teacher Conferences

Parents may call and set up a conference with their teacher during normal Preschool hours. Mid-year conferences are scheduled in February.

Financial Integrity

Lenoir City Christian Academy undergoes an audit every other year.

Discipline

Children are to show respect in their day to day interactions with others. This includes teachers and children. Respect is shown through words, body language, and kindness. Hurtful words, hurtful looks, or physical altercations can be reason for dismissal. Any physical aggression is an automatic office visit and parents will be notified at the end of the day. Lenoir City Christian Academy reserves the right to discharge any child from enrollment if discipline becomes an issue.
