§ 10.1-2211.2. Disbursement of funds appropriated for caring for historical African American cemeteries and graves.

A. For purposes of this section:

"Fund" means the Historical African American Cemeteries and Graves Fund created pursuant to § 10.1-2211.3.

"Historical African American cemetery" means a cemetery that was established prior to January 1, 1900, for interments of African Americans.

"Qualified organization" means a charitable corporation, charitable association, or charitable trust that has been granted tax-exempt status under § 501(c)(3) of the Internal Revenue Code and whose primary purpose is the preservation of historical cemeteries and graves or any person or locality that owns a historical African American cemetery.

B. At the direction of the Director, the Comptroller of the Commonwealth shall draw an annual warrant upon the State Treasurer from any sum that may be provided to the Department in the general appropriation act in favor of the treasurer of a qualified organization caring for any cemetery set forth in this subsection for the purpose of maintaining qualifying cemeteries and graves pursuant to this section.

Any representative of a qualified organization desiring to receive funding from such appropriation for the maintenance of qualifying cemeteries and graves pursuant to this section shall submit an application to the Department on or before May 30 each year. Such appropriations shall be allocated on the basis of the number of graves, monuments, and markers in a cemetery of African Americans who lived at any time between January 1, 1800, and January 1, 1900, the dates to be determined by reference to grave markers or, at the discretion of the Director, other historical records. Such number of graves, monuments, and markers, as set forth opposite the cemetery name or as documented by the qualified organization, shall be multiplied by the rate of $5 or the average actual cost of routine maintenance of a grave, monument, or marker, whichever is greater, to determine the amount of the allocation. The Department shall determine the average actual cost of routine maintenance of a grave, monument, or marker in a biennial survey of at least four properly maintained cemeteries, each located in a different geographical region of the Commonwealth. The Director shall deposit any appropriated funds that are not disbursed during the same fiscal year into the Fund.
In addition to any sum provided to a qualified organization as set forth in subsection B, the Director may disburse funds to any qualified organization to fund maintenance and care of additional historical African American graves in the Commonwealth that have been certified by the Department and documented in the Department's cultural resources database. Funds disbursed under this subsection shall be disbursed at the rate set forth in subsection B.

A qualified organization receiving funds shall expend the funds for the routine maintenance of its historical African American cemetery and its associated graves, and graves certified by the Department and documented in the Department's cultural resources database and the erection of and caring for markers, memorials, and monuments to the memory of such African Americans.

Each qualified organization, through its proper officer, shall after July 1 of each year submit to the Director a certified statement that the funds appropriated to the organization during the preceding fiscal year were or will be expended for the purposes set forth in subsection C D. No organization that fails to comply with any of the requirements of this section shall receive moneys allocated under this section for any subsequent fiscal year until the organization fully complies with the requirements.

In addition to funds that may be provided pursuant to subsection B or C, any organization that receives funds pursuant to subsection B or C may apply to the Director for a grant to perform extraordinary maintenance, renovation, repair, or reconstruction of any of its historical African American cemeteries and graves. Such a grant shall be made from any appropriation made available by the General Assembly for such purpose or from the Fund.

Any locality may receive and hold funds drawn pursuant to subsection B or C on behalf of any qualified organization until such time as the organization is able to receive or utilize such funds. No local matching funds shall be required for any grants made pursuant to this section.

The owner of a historical African American cemetery shall reasonably cooperate with a qualified organization that receives funds pursuant to subsection B or C.

§ 10.1-2211.3. Historical African American Cemeteries and Graves Fund.

This is hereby created in the state treasury a special nonreverting fund to be known as the Historical African American Cemeteries and Graves Fund, referred to in this section as "the Fund." The Fund shall be established on the books of the Comptroller. All funds appropriated for such purpose, all funds deposited in the Fund pursuant to subsection B or C of § 10.1-2211.2, and any gifts, donations, grants, bequests, and other funds received on its behalf shall be paid into the state treasury and credited to the Fund. Interest earned on moneys in the Fund shall remain in the Fund and be credited to it. Any moneys remaining in the Fund, including interest thereon, at the end of each fiscal year shall not revert to the general fund but shall remain in the Fund. Moneys in the Fund shall be used solely for the purposes set out in subsections B and C of § 10.1-2211.2. Expenditures and disbursements from the Fund shall be made by the State Treasurer on warrants issued by the Comptroller upon written request signed by the Director.
