I understand that based on this completed Initial Registration Application and payment of the attached registration and book fees, a seat for the student(s) listed above will be reserved for the 2022-2023 School Year. I have read and agree to abide by the following registration and book fee and tuition refund policy: I understand that registration fees are nonrefundable. Book fees are refundable until April 1st unless family shows evidence of a job transfer outside the geographic area prior to June 1st and requests a refund in writing. I also understand that there will be no refund of tuition paid in July and August for students who are enrolled but are withdrawn prior to the beginning of school. A two-month early withdraw penalty will be assessed for students who withdraw prior to the end of the school year unless there is a documented job transfer outside the area. These assessments are made in consideration of the obligations that the school has taken on in my behalf upon enrollment of my child(ren).
