### Payment Method

In consideration of the payment calculated using the tuition and fees worksheet on the reserve side, we authorize Calvary Christian School to:

- Please use the same account number and date that is on file for ACH withdraws (current families only). I have calculated the amount above that will be drafted each month of the 2024-2025 school year. OR
- I am attaching a new, completed ACH Form for the 2024-2025 school year. I understand this form is required before a student may be officially registered in Calvary Christian School.
