Peace Pole Dedication

Sunday, 9/11/2022 1pm

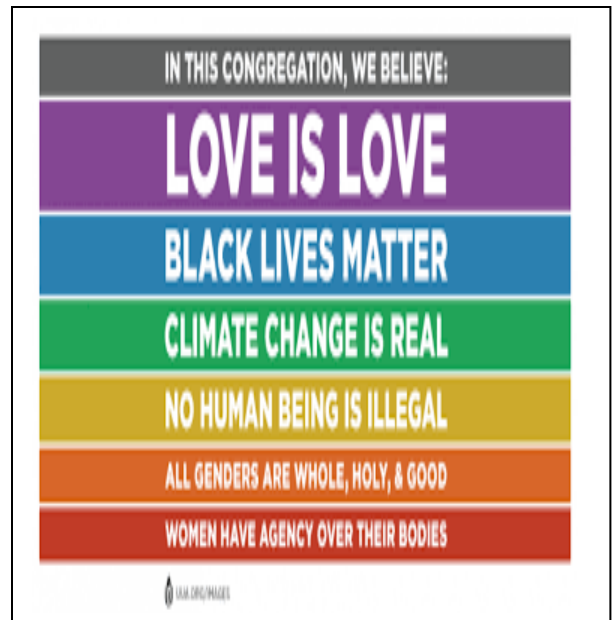

Please join us for this Interfaith, Multicultural event. Peace poles are now the most recognized monument dedicated to peace on earth. They represent the highest aspirations of peace and goodwill inherent in the human heart transcending race, religion and creed. They serve as vehicles to carry the message of “**May Peace Prevail On Earth**” out to every corner on earth. They are planted to uplift, empower and elevate the human consciousness to embrace the oneness of our global family.

Keynote speakers

- Carli Harlow, Worship Weaver Chair, ASWUU
- Dr. Preston McKeever-Floyd-Retired Chair of Philosophy and Religious studies at CCU.

SECOND COLLECTION SUNDAYS

Beginning on September 11, ASWUU will begin a second collection on the second Sunday of the month. This second collection will be for items that the church is in need of, including the following: a security system, a new refrigerator and eventual roof replacement.

Our mission is conversation, not conversion.

Worship Weavers

Carli is looking to form an official Worship Weaver team to help with the services. We will meet on the 3rd Sunday of the month after services. Please consider being on this integral part of our Sunday service. More members means more variety in the pulpit. It's not that difficult to plan a service!
