November 6, 2024

Greetings,

I am writing to wholeheartedly endorse Dr. Jonathan Carey for his exceptional ministry and service during our 2024 Missions Convention from October 18 - 28 in the Mariana and Palau Islands. As the General Superintendent of the Northern Mariana and Palau Islands Assemblies of God and the Chairman of Grace Christian Academy, I had the privilege of witnessing first hand the profound impact of Dr. Carey's ministry on our community.

During his time on Saipan, Dr. Carey conducted ministerial professional development sessions for our Assemblies of God pastors, enriching their spiritual leadership and equipping them with valuable insights for their congregations. He also led a professional development session for the teachers, staff, and administration of Grace Christian Academy, inspiring our educators to integrate faith and excellence in their service to our students.

Dr. Carey's evangelistic crusades on the islands of Rota and Tinian were truly transformative, reaching hearts and souls with the message of hope and salvation. Additionally, he engaged with students during our school's Missions Week, igniting a passion for mission work and service among the youth.

His powerful messages during the mass gathering of four churches for Missions Week brought unity and renewed purpose to our congregations. Dr. Carey's dedication, humility, and fervor for the Gospel have left an indelible mark on our islands.

I highly recommend Dr. Jonathan Carey for any ministry opportunities that align with his calling. His contributions have greatly blessed our community, and I am confident he will continue to be a vessel of God's love and truth wherever he serves.

Sincerely,

Reverend Michael D. Rodgers, Jr, MA, MS.
General Superintendent of the Assemblies of God
Of the Mariana and Palau Islands
