

Their current focus is to address the needs of the families that have been impacted by COVID-19. They've shifted their food bank to a drive through setting, and even went door-to-door in their communities to deliver and distribute 21 lb. boxes of nutritious foods such as milk, meat, dairy, breads, and produce to every home thanks to the Farmers to Families USDA program, provided through Convoy of Hope, Feeding Tampa Bay, and Florida Baptist Children's Home. They were able to deliver 1352 food boxes to families in Bowling Green, 1152 boxes in Zolfo Springs, and 1368 boxes in Wauchula. During COVID, they were also able to visit Elementary schools and pass out 7960 5lb. boxes to the families of that school. As of October, in 2020 they've been able to serve 17,000 families, provide 69,400 meals, and give out 1.487 million pounds of food. ▶
