MS. RACQUEL BATTLE

REV. DR. MARTIN LUTHER KING, JR. (FROM THE AMERICAN HERITAGE HYMNAL)

Leader: In every era, God has chosen men and women to serve the needs of his people. Such a servant was Martin Luther King, Jr., whose birth we celebrate. We are deeply thankful for the life of this twentieth century prophet.

People: May the wisdom and words of Martin Luther King, Jr., rekindle our faith.

Leader: May the deep love that Dr. King had for all people be released in us, that we too might work miracles in the lives of those who continue to hate.

People: Dr. King taught that only love can overcome hatred, bitterness and fear.

Leader: May his struggle for social transformation continue in this generation. May all people come to believe that with perseverance, "We Shall Overcome".

People: "But let justice roll down like waters and righteousness like an ever flowing stream". (AM4:24)

Leader: May the work of Dr. King continue to eradicate racial injustice and its ungodly consequences.

People: Dr. King pursued his dream for racial equality by appealing to the conscience of his enemies.

Leader: May we continue to cultivate the nonviolent discipline of Dr. King, abandoning unrestrained acts of force.

People: He taught us that a heart full of grace and love is just as important as an education.

Leader: May the spirit of Dr. King continue to flow through our daily living.

People: He believed in self-respect and dignity, even though he knew that there would be difficult days ahead.

Leader: May we have the courage of Dr. King as we continue to stand up for justice, reconciliation and truth, despite challenge and controversy.

People: Dr. King said that war is never a victory, regardless of the outcome.

Leader: May the peace of the risen Christ cause the fury of war to vanish from the face of the earth.

ALL: *Dr. King went to the mountain top; he saw the Promised Land, and he reassured us that we will get there one day. God of Glory, be with us on the journey.*

Courtney English believes in leaving things better than he found them. An Atlanta native, English was the youngest person to hold city-wide office in Atlanta's history, first elected to the Atlanta Board of Education at age 24. In 2014 at age 28, he was elected unanimously by his colleagues to serve as that board's chairman—the youngest in the history of the school system. During his tenure on the board, he raised teacher pay, increased classroom spending, increased the graduation rate from 51% to a record high of 79%, and sent more students off to college. A former classroom teacher who understands that healthy communities are needed to support students and their families, he went on to work for a non-profit affordable housing developer where he helped create and refurbish thousands of affordable housing units throughout metro Atlanta, including the addition of wrap-around services to support those residents and the surrounding communities.

During the height of the 2020 Covid Housing Crisis, English served as director of community development for affordable housing nonprofit Star-C, raising \$11M to help more than 4,000 economically impacted Atlanta residents stave off eviction, while helping the city and surrounding communities expand access to affordable housing, reduce tenant transiency, and improve student education through innovative programs, partnerships, fundraising, and growth. Today, English serves as the Senior Advisor to Atlanta Mayor Andre Dickens, where his policy portfolio includes some of Atlanta's most pressing public challenges, including affordable housing, economic development, youth engagement, and closing Atlanta's long-standing equity gaps.

English earned Bachelor's degree from Morehouse College with a focus on political science and his Master of Arts degree in organizational psychology and leadership from Columbia University. He has served as a public speaker, sharing insights and perspectives on ambitious topics including global engagement, learning preparedness, neighborhood advocacy, public-private partnerships, and strategic policy development. He has been invited to participate in a variety of national conferences and educational forums including: Harvard University, Morehouse College, Spelman College, and Emory University. English is a pioneer in building partnerships and creating solutions. Raised in Atlanta's West End, he readily credits his mom for his community-driven spirit. Her unconditional love and exemplary work ethic serve as guideposts in helping him develop others, young people and emerging leaders alike.

Courtney English is a devoted husband to his wife Kelly, who is better than he is at pretty much everything.

At a mass meeting at Holt Street Baptist Church, the Montgomery Improvement Association(MIA) is formed. King becomes its president.

January 27-30, 1956—According to King's later account in *Stride Toward Freedom*, he receives a threatening phone call late in the evening, prompting a spiritual revelation that fills him with strength to carry on in spite of persecution. On January 30, at 9:15 p.m., while King speaks at a mass meeting, his home is bombed. His wife and daughter are not injured. Later King addresses an angry crowd that gathers outside the house, pleading for nonviolence.
