TAKING YOUR SHOT

Hogs often grow a “plate” over the front quarter of their body that makes effective heart and lung shots difficult.

- Head shots to the ear with a large caliber rifle are the preferred method of harvest.
- Shotguns are not recommended

MANHOOD DISCUSSIONS

- During our time together, we will gather as a group to conduct our “Manhood Discussions.”
- These discussions are simply an authentic and transparent conversation about what it means to be a Christian man.
- Topics may range from hunting, work, fatherhood, and women to leadership, sports, and everyday life.
- These are Not Bible Studies, They’re Not Devotions and They’re Not Sermons.
- Every man on the retreat is respectfully expected to be present for these discussions.
