# Ironman Outdoors

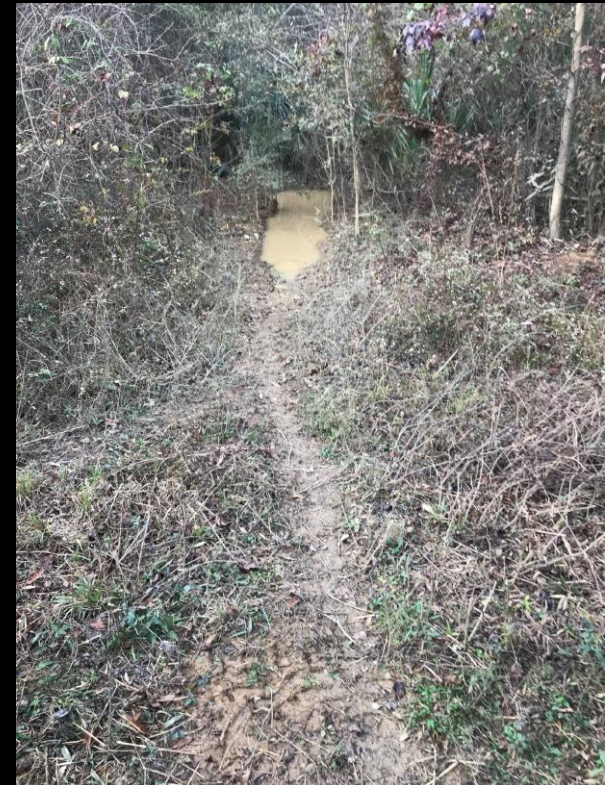

For this retreat, we have the exclusive hunting rights to over 700 acres of prime hunting land in the Blackbelt of Alabama. This land includes nearly 2 miles of frontage on the Alabama river.

This retreat has been scheduled during the rut!

- Your retreat will be guided by a ProStaff member of Ironman Outdoors.
- This means each guest will be taken to their stands prior to each hunt and each guest will be picked up at their stand at the end of each hunt.
- Stands will most likely be ladder stands and shooting houses on known travel areas and food plots.
- Each stand will be baited with corn (legal now in AL).

Pig path

**NEVER** leave your stand at any time during a hunt.  
There will be no stalking and no tracking of any animals without a guide present.

# Ironman Outdoors

- For lodging, we are staying at a state park near Camden, AL.
- We have rented several cabins.
- Each man will have his own bed.
- Linens are not provided.
- Cost of the lodging is included in the retreat fee.

Meals and snacks will be provided....  
including snacks that you can take with you  
to the treestand.

Please DO NOT leave trash  
on (or in) the stands.

## HUNTING LICENSE

- Prior to allowing anyone to hunt, each attendee will be required to:
  - Sign a liability waiver
  - Show a Valid Hunting License for the state of AL.
- An Alabama hunting license is available for purchase on-line (non-resident 3 Day = \$142).
- You will also need a Baiting Permit (\$51.85)
- **Note** - If you violate a game law, you will be asked to leave the retreat without refund.

**All Bucks Harvested Must Have at least 4 points on one side and inside spread of at least 15 inches.**

- The penalty for shooting a buck with less than the required minimum is \$150 donation to Ironman Outdoors for bucks greater than 14 inches wide. \$300 donation for bucks less than 14 inches wide.
- **Payment will be collected before you leave the retreat.**
- Note: once you draw blood on a buck you are done hunting for bucks on that retreat (even if we don't find it).

## HARVEST DETAILS

- For this retreat, we will have a drawing to determine which hunter gets to harvest 1 doe.
- Landowner has concerns about not seeing as many does as in the past. Therefore, we are limiting the doe harvest on this property for this season.

## Button Bucks

If you shoot a button buck on this retreat, that will count as your buck for the retreat. You will be doe/hog hunting from then on.

- If you accidentally shoot a second button buck (while hunting for a doe), the fine is \$300.
- Payment will be collected before you leave the retreat.

## HARVEST DETAILS

- We will have a location where you can skin and clean your harvest but we suggest that you bring a cooler to transport any meat harvested.
- If you have never cleaned a deer, our volunteers will be happy to assist you as you clean your deer.

## MANHOOD DISCUSSIONS

- During our four days together, we will gather as a group to conduct our “Manhood Discussions”
- These discussions are simply an authentic and transparent conversation about what it means to be a Christian man.
- Topics may range from hunting, work, fatherhood and women to leadership, sports and everyday life.
- These are Not Bible Studies, They’re Not Devotions and They’re Not Sermons.
- Every man on the retreat is respectfully expected to be present for these discussions.

Safety: if hunting from a treestand during the retreat, you must bring your own safety harness and wear it. Safety lifelines will be attached to every stand.
