***Praise the Lord for His endless love and guidance as we work towards building capacity of Christ centered educational institutions in Ethiopia!***

Greetings in the Name of our Lord Jesus Christ!

Happy New Year! It is our prayer that 2025 is progressing well for all our partners. **Thank you for your continued support in 2025!**

***Ending 2024 and Beginning 2025 ...*** As we reflect on our personal and ministry journey in 2024, we say "Praise be to the God and Father of our Lord Jesus Christ! ..." 1 Peter 1:3, for the fruition of all activities as planned.

***As we look forward to 2025,*** we confidently say, "I can do all things through him who strengthens me." Philippians 4:13! We praise The Lord for using us to serve Him in this capacity, for our partners, and for continuing to open new ministry opportunities to serve our brothers and sisters in Ethiopia!

***Partnership... working with our partnering institution Concordia University Irvine (CUI),*** the 2024 professional development seminar series focused on pedagogy were completed as scheduled. Currently, planning and launching of 2025 seminar series focused on "Teaching Christian Ethics in Higher Education" is progressing well.

We are truly blessed to continue facilitating these types of seminars in building the capacity of current and future leaders who have a great role in shaping and preparing the youth for the Church and for the country. Serving in this capacity, utilizing both spiritual and professional experiences in equipping

brothers and sisters who know The Lord is rewarding and humbling.

***Personalized one – on – one mentoring/coaching*** sessions to individuals who are serving in leadership roles have been progressing well. Before the end of the fall 2024 semester, there were several opportunities for in person

fellowship over coffee and bread, sharing of professional progress, and planning for future activities with several members of the Mekane Yesus Seminary faculty and staff. Your continued prayers in this effort are greatly appreciated in 2025.

***One-year intensive English program*** focused on writing, Reading, speaking and grammar is progressing well. It is exciting to observe students applying what they have learned, especially in attempting to speak in English with confidence and willingly participate in

classroom activities. We are grateful to **Dr. Vicki Anderson** for her leadership in the success of this program and her commitment in being part of building the capacity of our faculty and students in the

January/February 2025 Newletter

area of developing an English Language

Support Program with **student's success centered outlook!**

Spring semester registration and instruction has begun. Please join us in prayer for the teaching team and students as they begin the spring 2025 semester journey.
