

From The Beginning Music by Emerson, Lake & Palmer, revised lyrics by Rick Kroeger

There's gotta be things I've missed
But don't be unkind
It don't mean I'm blind

When I think a thing or two
Remembering Christ is the Head
It's pretty simple He said
...follow Him

You see it's all clear
You were meant to be here
From the Beginning

We've all got a choice to make
We've got no power at all
When we try it we fall

Love God and all people, too
The sum of the rules
And lovin' stuff isn't cool
...follow Him

You see it's all clear
You were meant to be here
From the Beginning

We've all really gotta change
And not be so cruel
Not be such a fool

Whatever was done is done
He just won't recall
It doesn't matter at all
...follow Him

You see it's all clear
You were meant to be here
From the Beginning
