

The Needle and the Damage Done: Neil Young

The Steeples and the Damage Done – rewritten by Ricky Kroeger

I see you Sundays and you sing the songs, I've started thinking that I don't belong.  
Ooh, ooh, the damage done.

We give our money then we head back home, then through the week we work for more to  
own.

Gone, gone, the damage done

I sing the song, because I love the man, I know that some of you don't understand.  
God's Son for everyone.

I've seen the steeples and the damage done, Christian division in most every one.  
No more religion please, just love like the Son....
