

MAN CAN BE COMPARED TO A HOUSE THAT THE HOLY SPIRIT MOVES INTO

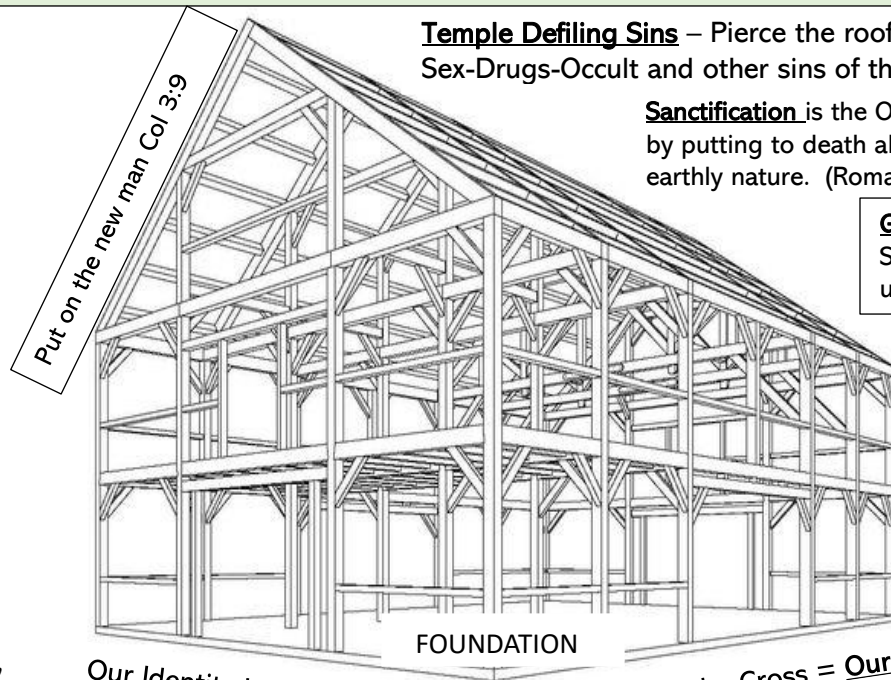

SPIRIT	Our Spirit is the Foundation the Soul is the Frame, and the Body is the Roof. The Holy Spirit starts by eliminating our Sin Nature and replaces it with His nature, and His life. He lives in our spirit man and this is the foundation of the house (This is the new Creation) (2 Cor 5:17) (Romans 6:6)
SOUL -Mind -Will -Emotions	Our SOUL (Mind, Will, EMOTIONS) is the Frame. The Holy Spirit will not use anything of the old man to build His house. He can only build the frame by renewing our mind so it can conform to the mind of Christ. The old programming (Old Mindset, carnal thinking, attitudes, and old habits) has to go. His thoughts and His ways must be ours. The Soul needs to follow and obey the Spirit, or it cannot receive His life that delivers and sets us completely free.
BODY	Our BODY is the ROOF of the House. It represents the desires of the flesh. It must be crucified daily not just managed. The roof must be sealed through consecration if not it will leak and destroy the house. Our EYE-EAR and MOUTH gates must be sealed and given unto the Lord as instruments of righteousness to God (Rom 6:13)

Sanctification is the Outworking of Salvation by putting to death all that belongs to our earthly nature. (Romans 6:10)

GOAL – To also be free in Soul and Body- To have an undivided House.

THE BUILDING PROCESS IS THE DELIVERANCE PROCESS

Our Identity Is Found Here Finished Work of the Cross = Our Rest

Holy Spirit Projects Life Power and Grace according to your Submission and Faith

The Holy Spirit is the **MASTER BUILDER** and He wants to build a NEW YOU/HOUSE made in His image. He will not use any of the old House since it pertains to the old Nature. It is like trying to put new wine in old wine skins. With a new foundation comes a new frame with all the new lumber.

The problem is we resist the Spirit and hold back parts of the old house exclusively to ourselves. He insists on being in charge and He will not just build on an addition on an old house. If He says He wants to demolish your living room, then he will get His way whether you like it or not. He will Chasen those He loves to finish the work He started.

WE ARE CALLED TO LOVE WITH A PURE HEART Therefore God must heal our thought life, our belief systems, our memories, our emotions, He must remove evil desires, roots of bitterness and even cause us to deal with unresolved relational issues and conflicts from the past. We need to allow the Holy Spirit to apply the Cross and The Resurrection Life Of Jesus to each area of our Heart or House. Each sinful practice is an area where the heart has not fully believed and is still in bondage.
