Dear Peter,

I want to express my sincerest gratitude for your generous donation.

We see hope and healing every day at Windwood. We see it when a boy utilizes his coping skills to achieve a milestone in his treatment plan, learns how to garden and experiences the excitement of his first sprouting plant; catches his first fish; or scores a run in kickball. We see it in the schoolhouse when they excel in subjects that were always a challenge. We see it when they support one another during group therapy and activities.

Your generous gift of \$2,100.00 on 4/25/2025 creates a brighter future for the children and families we serve.

With your support, we can continue to make a meaningful difference in the life of children in treatment at Windwood Farm. Your kindness helps us create a safe and nurturing environment where healing and recovery can take place.

Thank you for standing with us in our mission of providing help, hope, and healing to children and families.

Best regards,
