

Booking info for Ballenger Band Tour

1. <https://www.indieonthemove.com>

This website is good for touring in general, but if you go to the “features” tab you should find a college and university directory. Click on that.

2. The BALLENGER PRESS KIT LINK

3. Some places to contact could include:

- a. Fairs (state and local)
- b. Festivals
- c. Churches
- d. Youth Camps
- e. Youth Group Events
- f. Community Youth Events
- g. Youth For Christ Events
- h. Campus Life Event
- i. Fellowship of Christian Athletes Events
- j. Evangelistic Youth Outreaches
- k. Colleges
- l. Theaters (example: Honeywell center in Wabash, Indiana)
- m. Television (Free)

Our band performance would typically cost \$1,300 before mileage and the venue would need their own PA & Lighting production. We could provide PA & Lighting production for an added cost. Also remember it's negotiable. Make it as easy as possible.
