

Into Thy Word Happenings

Into Thy Word Ministries is about equipping, encouraging Church Leaders and Pastors around the world to better understand and apply the Bible. **You can be a part of this, too!**

I want you to know, brothers, that the gospel I preached is not something that man made up. I did not receive it from any man, nor was I taught it; rather, I received it by revelation from Jesus Christ. Galatians 1:11-12

Prayer Points:

- For the Lord to use us to minister as we research and develop books, resources, and curriculums for pastors, discipleship, and biblical church leadership development.
- For more ministry supporters and prayer warriors!
- Pray for a relief and victory over our spiritual warfare situations!
- Healing for Richard and good health for us, as well as wisdom and resources so we can better partake in the opportunities God has!
- Wisdom in what to do with our financial and living situation.

Nothing prepares a pastor better to lead a church than knowing and applying God's Word into his life first. Into Thy Word does just that!

Billy Graham,
Pasadena, 2004

Ministry Happenings

Why we do what we do.

It is because has God called us, equipped us and sent us and is powerfully using us. Will you join up to partner with this vital mission!? We train and equip pastors and church leaders.

Do you realize that most seminaries are turning out pastors who are Biblically illiterate? They may, at best, have taken just a couple of classes in Bible-

if any at all. I took all of the Bible courses that were offered when I was in seminary, but I felt poorly prepared.

Fortunately, I undertook the study of His Word myself. I was fortunate to have good mentors like Francis Schaeffer and to go to a good seminary, Fuller, in Pasadena, that gave me a good foundation and the tools to be a good exegete (how to study the Bible), but they did not teach me all that was in it.

It was up to me to take

the tools that I had learned and apply them so I could be a good expositor and pass that information to others. But, many pastors are going into their pulpits ignorant, either not knowing the tools or how to use those tools.

Partner with us!

For those who are not current ministry partners, there is more in-depth information about our ministry at www.intothyword.org

at the USCWM with a group of pastors from S/C Asia, I contracted the worst super bug, and survived it.

Ryan is doing great, finishing up 1st grade at the best Christian School, *Judson*, and will be turning 7 in May. Wow times goes by fast.

Please keep us in prayer and remember we serve at God's pleasure and always in need of prayers and support...

We had a rough few months, but better now. Great news and near death experiences. The good: after the burglary last year that took precious ministry and family resources, I was able to get Mary's wedding ring back--a minor miracle. A large

'fence' was busted and working with the LAPD, and after combing over thousands of wedding rings for 3 months, (Mary's was a custom from Belgium), I found it. No other items have been recovered. Interpol said the rare Bible used by our Continental Congress and Schaeffer's manuscripts and notes are believed to be in Switzerland in the hands of a megalomaniac collector and untouchable for now.

I traveled all over the world for the last 30 years+ and never got real sick. But, after a meeting

"Thank you for your Prayers and Support!"

More about our Ministry

How do we do Ministry?

Consequently, one of the key things we do is partner with organizations like the *Schaeffer Institute* and others to research, develop and provide the best resources for pastors and church leaders.

Why? So they are properly equipped to grow in their faith, teach, lead and further manage the church for the Glory

of our Lord.

See what the Schaeffer Institute has found:

Problems Observed in Seminars

Dude, what happened, continued:

I had "Staphylococcus aureus"--a version of the "MRSA staph" infection. I was in the hospital for a few days, as it got into my eye and tried to get in my brain. The pain was unimaginable and the drugs they gave were

worse.

It was a very close call, in the isolation ward of ICU, "it was a miracle" said the CDC and UCLA Medical specialists that I did not lose eye or brain. I told them thank-you, because I need these for work. The joys of mission work...

Now, please pray for the bill... I was going to post a picture, then, realized was not a good idea....lol

Our Purpose is to point to the Supremacy and Centrality of Christ, and with your partnership we can expand God's Kingdom by becoming and developing wholeheartedly, fully-engaged followers of Jesus Christ. If you want to help support us in these endeavors and our pastoral training overseas, please let us know.

Our future... Your partnership!

April 7th was a milestone for me as I had my ½ century Birthday... I am 48 years and 24 months old.... and... I am back online with ministry and have been a busy boy, like this past weekend with two back to back Conventions, teaching "Bible Study Tools" at, CMTA and the LA Book Festival, amongst others!

There is no question – we are serving our Lord Jesus Christ because of your prayers, support and partnership. Thank-You!

The ministry is fantastic!

Why we do pastor training? Did you know that the average pastor in S/C Asia only has 3 sermons they use over and over?

How we do this?

We partner with dozens of ministries like *Campus Crusade* and provide them with effectual materials for pastors, and discipleship tools for spiritual growth.

We need to hear from you today.

Therefore he is able to save completely those who come to God through him, because he always lives to intercede for them. Hebrews 7:25

Partner with us and share in the fruit God is doing through us!
