Metropolitan Missionary Baptist District Association

Act of Installation

Reverend Dr. Oscar Carter: For as much as you have been elected by fellow members of this Association to serve as Officers and Leaders, and you have declared your willingness to serve, I now ask your public assent to the following questions:

Do you accept the responsibilities of the office into which you are being installed, and will you, insofar as you can, discharge your duties faithfully and efficiently?

Officers and Leaders: I do.

Reverend Dr. Carter: Will you seek to promote and maintain a sympathetic and friendly relationship with those with whom you will be working so the bond of fellowship throughout the Association may be strengthened?

Officers and Leaders: I will.

Reverend Dr. Carter: Do you promise to be faithful to your Association, consistent in your attendance at meetings and dutiful in your support of the total program of the Association?

Officers and Leaders: I do.

Reverend Dr. Carter: Do you promise to honor God and your Church and the Association in your service, behavior and conduct?

Officers and Leaders: I do.

Reverend Dr. Carter (To the Association):

The responsibilities which these Offices and Leaders are now called upon to assume cannot be discharged by them alone. They have promised, insofar as they are able, to serve their offices well. However, their best efforts will fall short of fulfillment unless they are supported by the wholehearted and consistent cooperation of all the members of this Association.

Do you, the members of this Association, acknowledge and receive these Brothers and Sisters as your duly elected officers? Do you promise to give them the cooperation, encouragement, and honor to which their office entitles them? If so, signify the same by CLICKING THE "THUMBS UP" REACTION.

Reverend Dr. Carter (To Officers and Leaders):

Then I declare you duly inducted into the office to which you have been elected. May the Grace of God be with you, and may you enjoy the confidence and support of Association.
