### **Tuition Policies**

St. Vincent de Paul depends on the Finance Committee in administering the tuition and fees program for the preschool. The Finance Committee, with the approval of the Pastor, has adopted the following policies:

1. All families must register with FACTS by March 1<sup>st</sup> or registration will be considered "incomplete" and any prior decision to admit the student will be withdrawn and the registration may be placed on the waiting list.
2. Any registration form submitted after March 1<sup>st</sup> must include a check for the registration fee and be registered with FACTS.
3. If a payment plan is not in place by registering with FACTS prior to the first day of school, the student will not be admitted.
4. For any registration submitted after December 31<sup>st</sup> for the current school year, the registration form must include a check for the full amount of the registration fee, and payment in full of the prorated tuition.
5. If a student withdraws from school during the school year, any advance payment of tuition will be refunded on a prorated basis using a nine-month school year as a reference. The refund shall be calculated from the first day of the first full school month after the date such student is no longer enrolled in the school.
