Mission Statement

The mission of St. Vincent de Paul Catholic School is to provide quality spiritual, educational, social and spiritual opportunities in a respectful learning environment reflective of our Catholic beliefs.

Admissions Policies

It is the policy of the St. Vincent de Paul School Board that eligible children shall not be denied enrollment, rights, or privileges in the school because of race, color, or nation/ethnic origin.

Purpose of the Handbook

The purpose of this handbook is to provide parents/guardians of incoming St. Vincent de Paul kindergarten student's general guidelines for dress code and our lunch program, tips on how to prepare their child for kindergarten, and our behavioral expectations of the students and communication.

Preparing Your Child for Kindergarten

How to Help You Child Prepare for School

- Talk about school with your child. Keep a positive attitude as you discuss happy experiences that are ahead of him/her.
- Listen to your child. Discuss his/her concerns. Encourage your child and be reassuring.
- Establish good routines for eating, sleeping, and doing schoolwork. Establish a school bedtime.
- Establish a communication link with the teacher so that you are always informed.
- Make transportation/parking and after school plans clear to your child, including car pool and day care information.
- Arrive on time. Not too early, though. A long wait can increase stress.

What Your Child Should Know

Your child should be able to:

- Identify and write his/her first name.
- Take off and put on his/her own clothing: buttons and zippers should be easy to use, clothing should be comfortable and appropriate for weather, removable clothing (sweatshirts, hats, gloves, etc.) should be labeled with the child's name.
- Care for his/her personal needs in the bathroom.
- Follow two- or three-step directions.
- Sit quietly for approximately ten minutes while listening to a story.
- Stay with a group of children without parents.
- Use scissors, pencils, crayons, and glue appropriately.
- Recognize some upper and lower case letters of the alphabet. Numbers 0-10 would be helpful.

Communication

E-Mail/Phone

Teachers are available for phone calls at 492-2111 between 3:15 and 3:40. Email is also available. To email a teacher or administrator, type the last name, first initial of first name@svdpomaha.org
Example: John Smith – smithj@svdpomaha.org

Folders

Daily communication with your child's teacher can be done through e-mail or written notes. Your child will have a communication folder that he/she will bring to and from school everyday. This folder will contain daily work, notes from the teacher and kindergarten-specific information.

Newsletters and Virtual Backpack

On the last Friday of each month a monthly newsletter and Classroom News will be emailed to every parent. The newsletters will also be available on the school website. On Fridays parents will receive a "Virtual Backpack" via email where parents can receive school information, download forms and notices from sports groups, girl/boy scouts, SPREE, Adult Formation, etc. The "Virtual Backpack" page can also be accessed on the school website.

Parent Conferences

Parent/Teacher conferences are held twice a year. In late October/early November, teachers will meet with all parents. In February/March, conferences are held by request from the parent or the teacher.

Report Cards/Progress Reports

Report cards are sent home with students at the end of each quarter. The report card and envelope should be signed by a parent/guardian and returned to school. The students will also receive mid-quarter progress reports that also need to be signed and returned.

School Website

The school website address is www.svd-p-school.org. The website is a great way to access important school information such as school news, school calendar, lunch menu, staff directory, teacher pages, links to other parent information, etc. The website is updated frequently and can provide the most up-to-date information.

Student Absences

Half Day Absence=arriving after 10:00 a.m. or leaving before 1:00 p.m. When a student will be absent from school parents are expected to call by 7:30 a.m. Each student who is absent is expected upon his/her return to school to provide a written note from the parent/guardian stating the date(s) and reason for absence.

Behavioral Expectations

At St. Vincent de Paul School we want to help children interact respectfully with adults and peers, develop good listening skills, contribute in positive ways and learn appropriate times for talking. Each day in the classroom, your child will have to make many choices. We feel it is important that each child be accountable for his or her decisions.

Positive Code of Conduct Referrals **(Exemplary Behavior)**

We encourage good behavior by recognizing students who have made positive choices through helping/praising others, good citizenship, community involvement, cooperation, improved effort or completing work.

Students who receive a Positive Code of Conduct Referral are recognized by the Administration on a weekly basis.

Color Change System

To help students in Grades K - 4, we use a green/yellow/red/white/card system. Every student begins the day with a green card. When a student makes a poor choice within the school day, that child will be asked to exchange their green card for a yellow card. This is a warning card. If a second poor choice is made, they will receive a red card. If a third poor choice is made, a white card is issued and a written form (Parent/Student Alert) will be sent home with the student indicating the choices made by the student throughout the day. The child will also miss a recess and meet with an administrator to discuss the behavior. The slip will be sent home, signed by the parent and returned the next day. If the note is not returned, a phone call will be made. We ask that you spend some time discussing with your child the reason the slip was given.

Mass Behavior

The kindergarten students attend Mass weekly as a class with Grades 1 - 4. Students are expected to participate by praying, singing, and sitting/standing/kneeling at appropriate times. Periodically throughout the year, all-school Masses are held on different days.

Dress Code

St. Vincent de Paul students are to be in uniform at all times on campus and when attending school-sponsored functions off campus. **Enforcement of the school uniform Dress Code is the responsibility of each student's parents.** The classroom teachers should not have to police their students for uniform infractions. Final interpretation of compliance will be determined by the administration. Please label your child's clothing, particularly sweaters and sweatshirts, and school items such as backpacks and lunch boxes. Unclaimed items will be given to charity or the Used Uniform Committee for resale.

General Information

St. Vincent de Paul Catholic Elementary School provides a hot lunch program. Students who choose to bring sack lunches from home may purchase milk/orange juice at school if they desire. The lunch count will be done at the time that attendance is taken. Children will be asked to indicate whether or not they will be taking hot lunch, sandwich lunch, or salad lunch. The kitchen will **not** require a milk count in the morning.

The process for ordering hot lunch will be as follows:

1. The menu is sent home on the back of the newsletter once a month.
2. Attached will be a slip that needs to be completed and returned with a check made out to St. Vincent de Paul.
3. **Clearly label the envelope with the family name and the words "hot lunch/milk money."**
4. Visitors may purchase a hot lunch for \$4.00 (must be ordered by 8:45 a.m.).
5. Each student will have his/her PIN number set up at the beginning of the school year or at the time of enrollment. The price of a lunch will be deducted from the family account after the student receives his/her lunch/milk.

Prices for the Hot Lunch Program (2017-2018)

Grades K – 5	\$2.65 (Current price as of August 2017)
Milk	35 cents/carton (skim, 2% white and 1% chocolate)
Orange Juice	35 cents/carton
Bottled Water	35 cents/water

Please Note: The hot lunch program receives funds and food from the federal government. We are required to secure payment before serving lunches to avoid losing these funds. As stated in USDA Policy: "Under the law, the regulations, and the guidance, there is no requirement that children paying the reduced or full price be given credit which permits them to charge the price of meals when they don't have money with them to pay."
USDA Policy Memo 94-77

Statements are sent home in the folders to families that have a negative balance in their family account.

Volunteers

Parents are encouraged to volunteer at St. Vincent de Paul. There are many opportunities to volunteer including playground, lunchroom, and library helpers. Volunteers within the school will need to complete the Safe Environment Training. Please contact Wendy Everson with any questions at eversonw@svdpomaha.org. Each classroom will have three parties that room parents organize. Parents will also be encouraged to sign up for various volunteer opportunities throughout the year, including field trips and special events.

Children Learn What They Live

If a child lives with criticism,
He learns to condemn.

If a child lives with hostility
He learns to fight.

If a child lives with ridicule,
He learns to be shy.

If a child lives with shame,
He learns to feel guilty.

If a child lives with tolerance,
He learns to be patient.

If a child lives with encouragement,
He learns confidence.

If a child lives with praise,
He learns to appreciate.

If a child lives with fairness,
He learns justice.

If a child lives with security,
He learns to have faith.

If a child lives with approval,
He learns to like himself.

If a child lives with acceptance and friendship
He learns to find love in the world.
