

## JUNE 2022 UPDATE

Dear FCC Family,

In December of 2021 we began the 2-year BOLD initiative with the primary goal of 100% engagement. Many of you have taken a bold step of faith in the past 6 months to trust God and honor Him with your giving. Not only are you experiencing a transformation, but this update also includes several examples of the difference your generosity is making in the lives of others. Thank you for being bold in your commitment of generosity.

The secondary goal of the Bold Initiative is to raise \$2.75 million for our ongoing ministry and relocate FCC's campus to expand our reach throughout the surrounding community. Although God has not identified where this new location will be, we are trusting in His provision and invite you to commit this matter to your prayers.

We have met with a commercial realtor to communicate our preferred site requirements, desired budget, and ideal timeline. To date, the realtor has presented 7 different properties for consideration. The options include a range of existing structures as well as undeveloped sites. FCC is not actively pursuing any of these options for a variety of reasons including, location, site limitations, and pending contract. We continue to pray for God's will to be done through this process.

Boldly praying,

## MY **BOLD** PRAYER IS . . .

During this BOLD season, God wants His children to fully trust Him in all things. What are you learning as you take your BOLD next step in this journey?

Stop by the BOLD display in the church lobby and share how God is growing you as His child. Everyone has a story that is being written and we'd love to know yours.

When they saw the **BOLDNESS** of Peter and John, and discovered that they were uneducated and ordinary men, they were amazed and recognized these men had been with Jesus.
